New L.C.B. Building Project Deferred

B.C. Liquor Control Board is not going ahead right now with its plan to construct a new headquarters office building in the city, W. F. Kennedy, board chairman, said today.

Tenders for the job, calling for a two-story office structure, were received by the public works branch last month at a figure of \$47,000. This was considerably higher than the board had expected.

The liquor board now rents offices in the Belmont Building. By moving into its own building the board would have saved the rent as an offset against the capital cost of the structure, and would also vacate space that may be needed by Western Air Command, located in the same building.

In view of the increased building costs and the need for restricting new construction to necessities the project is in abeyance, Mr. Kennedy said.

Palmyra Captured

VICHY (AP)—The Vichy government acknowledged tonight that Palmyra, one of the strong points of resistance to the Allied invasion of Syria, had fallen.

A communique said the place was occupied at 1 a.m. after an artillery barrage. A British column pointed by three tanks entered the town, it was said.

(In Jerusalem it was officially announced tonight that Palmyra had surrendered at 3.30 in the afternoon.)

Moose Gather In Vancouver

VANCOUVER (CP)—The Northwest Moose Association which covers a territory faking in Alaska, British Columbia, northern Idaho, part of Oregon and all of Washington, opened its 26th annual conference here today with James A. Ballard, president and prominent Seattle attorney, presiding. There are 78 lodges in the association.

Guard Killed

RUTLAND, Vt. (AP)—Deputy Sheriff Ray Russell of Minkton was killed today during a fight that developed when striking dairy farmers attempted to dump a truckload of milk bound for the New York City market.

BRITISH BANKER HERE—Beatrice Gordon Holmes, English banker, is in Victoria for business and professional women's meetings. (See page 11 for "England Today.")

Evasion Penalties

MONTREAL (CP)—Seven Syrian youths who pleaded guilty to charges of violation of National War Services Regulations in connection with an attempt to evade military training, were sentenced to fines of \$100 and costs each, or six months in jail.

The five adult relatives of the youths were fined \$300 and costs each, or six months in jail. The five relatives had pleaded guilty to charges of aiding and abetting the failure to report.

3 Men Try Pick Up Girl of 15

City police received a complaint last night from A. Mitchell, Arnold Street, that three young men had tried to pick up his 15-year-old daughter and take her for a ride in a car.

The men, driving in a coupe, stopped at Richardson and Arnold Streets and tried to get the girl to go for a ride with them, Mr. Mitchell said.

British to Invade Before Aug. 1?

LONDON (CP)—The magazine Aeroplane hinted today that the Royal Air Force's daylight sweeps and nightly poundings of the French coast may be a prelude to an invasion of the continent before August 1.

The magazine said the Germans have been persuaded that "no combined offensive by British arms can be undertaken for several months."

"The R.A.F., it added, 'has been busy for nearly three weeks casting doubts on that assumption.'"

"Before this month is out there may be developments which would cause more doubts and heighten all the people over whose

lands the struggle must be renewed.

"British strategy is still that of renewing the sinews of war and some of them are now to be found in France. But another form of strategic help to Russia is also in the making and France is probably concerned in that, too."

Meanwhile, Aeroplane asserted, Germans must guess "as to where and when and how the next pieces of British intervention will take place."

The Air Ministry announced today that 11 German fighter planes had been shot down in two Royal Air Force offensive sweeps over northern France today, with seven British planes missing.

BRITISH SKY HERO—Count the number of tiny swastikas on the side of his plane and you will see why the Distinguished Flying Cross has been awarded to Squadron Leader J. W. C. Simpson. Each swastika represents a German plane he has shot down. Of the 11 to his credit, two were accounted for in night fighting.

Final Bulletins

Next 48 Hours Decisive in Russia

LONDON (CP)—Russia can lose the war or lay the foundations of eventual German defeat in the next 48 hours, informed military sources said tonight.

If the German armies are given time to consolidate their gains of the first 10 days of fighting and launch new and more intensive drives on Leningrad, Kiev and Moscow, the Soviets can lose "these cities within a week, maybe less," these sources declared.

The Russians have an opportunity to halt the invasion in the tracks of its crawling armored divisions, but "the chance is a long one and if taken must be taken immediately," one source said.

The informant asserted information had been received that some German armored columns already were suffering heavily from Russian artillery and had been slowed down by fuel shortages.

Vichy Sub Sunk

VICHY (AP)—Vichy authorities announced tonight that one of their submarines had been sunk off the Syrian coast. Details were not immediately available.

BERLIN (AP)—German spokesmen said tonight that declarations yesterday by Japanese statesmen concerning Japan's role in the world situation were "unexcelled as regards clarity and plainness."

More Doctors Needed

CHICAGO (AP)—The American Medical Association reported today a "not too gratifying" response so far to British appeals for United States medical volunteers, and said the need for physicians at home was so great the British request would be met "only with the greatest difficulty."

About 65 American physicians are ready to join British medical services and 25 other volunteers likely will be available soon.

Quake in Argentina

MENDOZA, Argentina (AP)—Mendoza and other provinces of western Argentina along the Andes were shaken today by an unusually heavy earthquake. Buildings were damaged, but late in the day there had been no reports of casualties.

Eagle Flier Missing

LONDON (CP)—Pilot Officer William Isaac Hall of the Royal Air Force's Eagle Squadron of American volunteers is reported missing from the foray over northern France yesterday in which the squadron was credited with bugging three German planes. Hall's mother lives in Prince Albert, Sask.

Wheeler Iceland Report

WASHINGTON (AP)—Senator Burton Wheeler, Democrat, Montana, an opponent of administration foreign policy, said this afternoon he had information that the administration soon would send American navy and army forces and planes to occupy Iceland.

Boy Loses Life

J. K. Alexander, Vancouver man who is attached to the navy at Esquimalt, has received word from his sister-in-law that his 11-year-old son was drowned yesterday at Brandywine Falls, above Squamish, on the Pacific Great Eastern Railway. No details were available.

Weather Delays Nazis, Moscow-bound Column Halted

Canadian and Associated Press

A hint that bad weather is holding up the advance of German tanks and armored cars in Russia came late today from German news sources—a few hours after the high command had claimed the Red army's resistance was apparently broken.

Nazi dispatches, in admitting weather conditions were affecting the fighting in the Lwow region of southern Poland, also spoke of "obstinate resistance" by the Russians. This admission came from D.N.B., German news agency a few hours after the Nazi high command had pictured a decisive turn in the 12-day-old struggle, declaring:

"It now appears that resistance of the Soviet army is broken. Backward movements of the enemy have become apparent on the entire front."

Amid these assertions by Hitler's headquarters, the Russian high command declared the vanguard of the Moscow-bound Nazi invasion forces had been hurled back in repeated attempts to cross the Berezina river, whose waters were reddened by the blood of Napoleon's troops in the bitter retreat from Moscow in 1812.

Defeat Inflicted On Kiev Column

The Red army also was reported to have halted and inflicted "a heavy defeat" on a German mechanized column driving toward Shepetovka, 20 miles inside the old border of the Ukraine, on the road to Kiev, the capital.

Russian planes attacked the Finnish capital of Helsinki this afternoon, bombing the city's eastern outskirts and the Malmi airfield.

Other parts of the Ukraine invasion force were said to have attempted a break-through to the south toward Tarnopol, east of Lwow and south of Luck, still in the Ukraine's Polish buffer zone. These forces apparently had veered southward from Luck.

'Scorched Earth' Urged By Stalin

Stalin in a rare speech warned his people of grave danger and called on them to combat the invaders with a huge "scorched earth" campaign.

"Foment guerrilla warfare everywhere... blow up bridges and roads... set fire to the forests!" Stalin ordered. (See story on Page 2.)

Last night, the Russian communique said, Red troops and motorized forces of the Germans fought fiercely in the Borisov area. It was to Borisov on November 26, 1912, that the main body of Napoleon's army retreated, close on the heels of an engineer force which had struggled deep in the icy water to lay a bridge of escape from the slashing attacks of a victorious Russian army. The Russians destroyed the bridge at Borisov before the French could use it.

Presumably the modern bridge likewise has been destroyed by the Red army.

As for the other fronts, including the far north Murmansk sector, where the Russians claimed to have defeated about two infantry divisions attacking on the Sredni Peninsula, the latest Russian communique reported only "night patrol activity and fighting of local character."

Russians Admit Nazis Beyond Minsk

Reports on the Borisov sector, deepest point of the German thrust into Russian proper, elaborated an earlier admission that the invaders had pushed about 80 miles beyond Minsk to Bobruisk.

Bobruisk is about 70 miles east of Slutsk, which apparently is caught with Minsk, Borisov and Bobruisk in a fan-shaped offensive from the break-through at Baranowicz, in Poland near the old Russian border.

An earlier communique said the German spearheads aimed at Moscow had been blocked in the Borisov-Slutsk-Bobruisk region. In its report on bad weather on the Russian front, D.N.B. said, in the region of Lwow, in Russia's Polish buffer zone even snow had been reported.

The high command said a German attack was under way on the entire front from the Arctic Ocean to the Black Sea. The Prut River, boundary between Rumania and Soviet Bes-

KIEV, OBJECTIVE OF GERMAN 'DRANG'—Capital of and key to Soviet Union's wheat-rich Ukraine. Photo shows Kreshchatik, the city's principal thoroughfare before bombardment.

arabia, has been crossed by German-Rumanian forces driving from Moldavia and advancing toward the Dniester River, the communique claimed.

"While hitherto the Soviet Russian leadership apparently tried to catch the German advance near the border and start its own offensive," the Nazi communique asserted, "it now appears that resistance of the Soviet army is broken."

"The destructive battle east of Bialystok, in general, is concluded. As already announced in a special report, its effects are of world importance."

"Numerous infantry, cavalry and tank divisions of the Soviet Russian armed forces here can be regarded as destroyed. Units of our army and air force in exemplary collaboration have begun pursuit."

Hitler Writing Nazi Communiques

An earlier special communique had claimed that "unimaginable chaos" had broken over the Red armies in the Bialystok area.

While Nazi sources in general were unwilling today to interpret the meaning of the high command's phrase, an AP dispatch later in the day said a Nazi spokesman in Berlin had said all communiques of the German high command were "checked over personally and often reworded" by Hitler. A general draft of the past day's military events was handed to Hitler by an adjutant and he decided what was to be made known, the spokesman said.

(This, it was said in other quarters, probably explained the grandiose phrases such as "world historic importance" and "unimaginable chaos" that have been appearing in the Nazi communiques.)

Germans Claim 160,000 Captured

Hitler's headquarters claimed that from June 22 to July 1 more than 160,000 Russians had been captured. The communique said the Russians offered stiff resistance and made desperate attempts to break out of encirclements only to lose many times as many men as those taken prisoner.

German losses were termed "gratifying small." No figures were revealed.

During the same period, it was claimed, 5,774 tanks, 2,330 guns, four armored trains and 4,725 planes were destroyed or captured.

Dienst Aus Deutschland told its readers Nazi "speed troops" were "progressing in a dash past Lwow" and that the Pripiet Marshes had been left behind. These troops have as their objective, Dienst said, the city of Kiev, capital of the Ukraine.

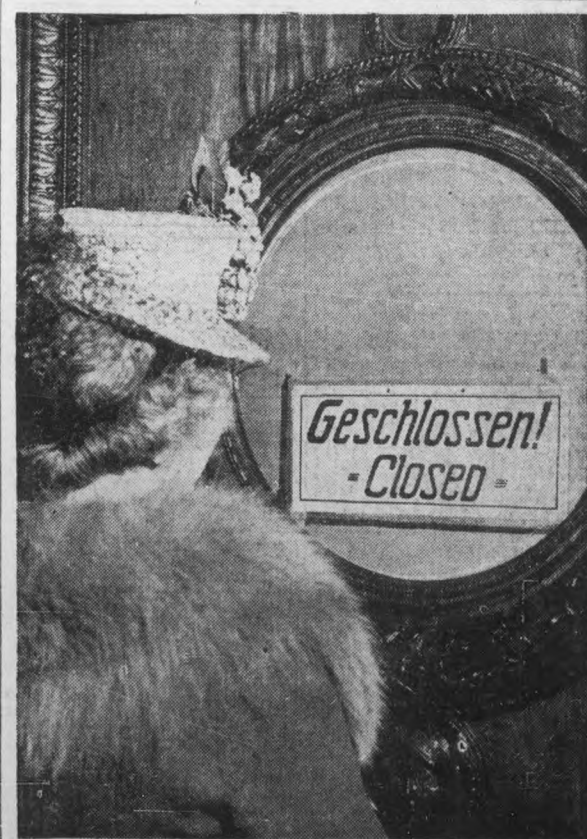

On the Baltic front commentators claimed the Nazis had crossed the Dvina River, leaving broken parts of Russian forces behind. This meant, the commentators said, that the most difficult terrain in that area had been overcome and Nazi forces were pouring into Estonia.

Nazi Garrison Thinned

LONDON (CP)—Reuter's news agency in a dispatch credited to an independent French agency said today Germany had withdrawn about half her troops from occupied France. The number remaining was not given.

OVERTHROW LENIN—Ukrainians symbolically throw off the yoke of Soviet Russia by tearing down a statue of Nicolai Lenin, Soviet saint. All that remains of the former Red leader is his right boot. (Radiophoto).

'Hitler's Army Will Be Beaten'

Stalin Calls for Scorched Earth
And Guerrilla Warfare Policies

MOSCOW (AP) — Premier Joseph Stalin called on the Russian people today to meet the advancing German armies with a vast "scorched earth" policy and with universal guerrilla warfare.

He warned his people they were menaced by "a grave danger" and acknowledged that already Hitler's troops have captured Lithuania, most of Latvia, western White Russia and part of the western Ukraine.

But, he added, it was recognized at home and abroad "that ours is a just cause, that the enemy will be defeated, that we are bound to win."

"Hitler's army will be beaten like those of Napoleon and Kaiser Wilhelm," he said.

"How could it happen that our glorious Red army abandons a number of villages and regions to the Fascist troops? Are they really as invincible as Fascist boosters and propagandists proclaim unceasingly? Of course not!"

"History shows that invincible armies do not exist and never have existed," he said.

He declared a German victory would mean restoration of great landed estates such as existed under the Czars, "slaves of German princes and barons," and said therefore "it is necessary that Soviet citizens understand" what is at stake.

He called for a ruthless campaign against defeatists, saboteurs and spies, and appealed for revitalized munitions and factory output and better transport organization.

Stalin attributed Nazi successes thus far "to the fact that the war of Fascist Germany on the U.S.S.R. began under conditions favorable for German forces and unfavorable for Soviet forces."

No Booty To Be
Left Invaders

Speaking in his role as chairman of the new defence committee, a post he only recently assumed, Stalin laid down these rules for fighting:

"In case of a forced retreat of Red army units, all rolling stock must be evacuated, the enemy must not be left a single engine, a single railway car, not a single

pound of grain or a gallon of fuel.

"Collective farmers must drive off all their cattle and turn over their grain to the safe-keeping of state authorities for transportation to the rear. All valuable property, including nonferrous metals, grain and fuel, which cannot be withdrawn, must without fail be destroyed.

Blow Up Bridges,
Set Fire to Forests

"In areas occupied by the enemy, guerrilla units, mounted and foot, must be formed, diversionist groups must be organized to combat enemy troops, to foment guerrilla warfare everywhere, to blow up bridges, roads, damage telephone and telegraph lines and to set fire to forests, stores and transports.

"In occupied regions conditions must be made unbearable for the enemy and all his accomplices. They must be hounded and annihilated at every step and all their measures frustrated."

The speech, broadcast at 6 a.m. (7 p.m. Wednesday, P.S.T.) and repeated at intervals during the day on public loudspeaker systems and on house radios, marked the first time the Russian people had heard Stalin's voice since 1936, when he announced the constitution.

R.A.F. LASHES
OCCUPIED FRANCE

LONDON (CP) — Masses of Royal Air Force planes, keeping up relentless day and night assaults on Germany and Nazi-occupied territory, made what appeared to be another major daylight attack across the Channel today.

While fighter planes scoured the air and water to clear the way, British bombers sped over northern France, following up overnight attacks which were concentrated on the German cities of Cologne, Duisburg and Bremen. Large fires broke out in industrial sections of all those cities.

R.A.F. fighters skimmed over the Channel at terrific speed, evidently on the lookout for Nazi surface vessels as they returned from a foray over France just before large formations of bombers and guardian fighters headed out from the English south coast.

Objectives Inland
Chief Targets

Coast watchers said today's raids continued throughout the afternoon in an "almost endless procession" of planes roaring across to the occupied French and Belgian coasts in a cloudless sky ideally suited for flying.

Since only a few explosions were heard on the English side, it was presumed the R.A.F. was bombing objectives inland.

Nine German fighters were reported authoritatively to have been bagged at a cost of three British planes in the sweep over northern France before noon.

The attack last night on Bremen, often-bombed Nazi port and ship-building centre, was particularly heavy, the Air Ministry said. Also attacked overnight were docks at Cherbourg in occupied France and Nazi oil storage tanks in Rotterdam, the Netherlands.

Big Building
Set Afire, Blasted

"Impressive fires," on both sides of the Rhine River at Cologne were reported by the Air Ministry news service, which said one section of a "powerful force" concentrated on a long industrial building, setting it afire and then blasting it with high explosive bombs.

At Bremen, both industrial districts and the shipyards suffered heavy destruction the service said, adding that after one "huge bomb" had exploded, searchlights went out and anti-aircraft guns were stilled for several minutes.

The service said that at Bremen shipbuilding yards where cruisers, destroyers and submarines are built was one objective.

"Bremen is also a great manufacturing centre, as well as port, and our bombers spread destruction in the industrial districts of the town as well as in the shipyards along the river," it added.

A German supply ship, plying the English Channel near the French coast, was struck by a projectile from a torpedo-carrying plane.

British pilots said stiff resistance was encountered from Nazi aircraft and anti-aircraft batteries, but the R.A.F. again outclassed the enemy.

Four British bombers were

lost during these night operations. One German fighter was shot down in flames over the Netherlands by one of Britain's heaviest bombers.

The R.A.F. night offensive followed a fierce hammering of enemy positions yesterday and

last night on the coastal and inland areas of northern France. Eighteen Nazi fighters were shot down in daylight operations yesterday. Ten British planes were lost. The American Eagle fighter squadron destroyed three Nazi aircraft.

Pravda, Izvestia and other morning newspapers devoted their entire front pages to the text of the half-hour speech together with portraits of Stalin.

Moscow, Leningrad
Form Peoples' Armies

Asserting that "millions of the masses of our people will rise," Stalin, speaking in measured tones, announced that workers in Leningrad and Moscow already had started the organization of thousands into peoples' armies to support the Red army and urged similar action in "every city under threat of invasion."

He expressed gratitude to Britain and to the United States and referred to the peoples of Europe and America as "loyal allies."

"Our war for the freedom of our country," he said, "will merge with the struggle of the peoples of Europe and America for their independence, for democratic liberties. . . ."

"In this connection, the historic utterance of British Prime Minister Churchill regarding aid to the Soviet Union and the declaration of the U.S.A. government signifying readiness to render aid to our country, which can only evoke a feeling of gratitude in the hearts of the peoples

of the Soviet Union, are fully comprehensible and sympathetic." (Listeners in London reported that Stalin spoke nervously and somewhat haltingly and that several times they could hear water being poured into a glass.)

Life or Death
Fight for Soviets

His main theme, however, he expressed at the very beginning of his long speech:

"A grave danger overhangs our country."

And later:

"What is required to put an end to the danger hovering over our country, and what measures must be taken to smash the enemy?"

"Above all it is essential that our people, the Soviet people, should understand the full immensity of the danger that threatens . . . the issue is one of life or death for the Soviet state, for the peoples of the U.S.S.R. The issue is whether peoples of the Soviet Union shall remain free or fall into slavery."

"The Soviet people must realize this and abandon all heedlessness, they must mobilize themselves and reorganize all their work on new, wartime lines, when there can be no mercy to the enemy."

Roosevelt to Speak

HYDE PARK, N.Y. (AP) — President Roosevelt will broadcast a special Independence Day message at 1 p.m., P.S.T., tomorrow from a desk in his personal room in the recently-dedicated Franklin D. Roosevelt Library.

The speech will be carried by all U.S. networks, supplemented by short-wave relays, and the Canadian Broadcasting Corporation, and will cover about five minutes. William D. Hassett, presidential secretary, said it was safe to assume the talk would touch on international affairs, but when asked whether it could be assumed that the address would be rather important, he answered: "I wouldn't say that."

SPEEDIER WAR NEWS

LONDON (CP) — Senior officers of the admiralty, army and air ministries have been assigned to the Ministry of Information to expedite the censorship of war news, it was announced today.

The officers will pass on all subjects except those involving high policy. Such subjects would be referred directly to the heads of the three service ministries, it was said.

The assignment follows a series of conflicts between the M.O.I. and service ministries.

Bruce Lockhart, the author, has been appointed deputy Under-Secretary of Foreign Affairs to advise the M.O.I. on news concerning foreign relations.

The new arrangement was promptly accepted by the Minister of Information, Alfred Duff Cooper.

Mr. Duff Cooper, who was rumored to have offered recently to resign over criticism of his ministry, said in the Commons that "the arrangement now arrived at is one which I believe can be made, with good will and

THERE IS NO OTHER TOBACCO
JUST LIKE OLD CHUMOLD
CHUM

The Tobacco of Quality

CUT COARSE FOR THE PIPE
CUT FINE FOR ROLLING YOUR OWN

hard work on all sides, to work satisfactorily."

When he started to say he really had nothing of which to complain there was a shouted chorus of "What!" from members who wanted all news responsibility to rest with the M.O.I.

He said that "on the home front" news releases had been

little criticized, but he added it had been "suggested that we should do more to bring home to the people of the United States the seriousness of the situation."

"There is always danger of exaggerating and there are two schools of thought fighting against us in the United States," he went on.

Canadian Officers To Defend Soldiers

LONDON (CP)—Four officers nominated by Maj.-Gen. P. J. Montague, chief of Canadian military headquarters in London, to defend deserving cases of Canadian soldiers in British criminal courts were called to the bar yesterday and admitted to the historical Inns of Court.

Lieut.-Col. W. A. I. Anglin of Saint John, N.B., was enrolled in Gray's Inn; Maj. N. F. MacDonald, of Brantford, Ont., in the Inner Temple; Maj. J. R. Roche of Montreal in Lincoln's Inn, and Maj. A. W. Embury of Saskatoon in the Middle Temple.

The action was made possible through the assistance of Viscount Caldecott, Lord Chief Justice, and Sir Donald Somervell, Attorney-General, after Gen. Montague's request had been conveyed by Canadian High Commissioner Vincent Massey.

It was stressed the Canadian government will not assume at public expense the defence of its soldiers contravening the criminal law, but any officer or any deserving legal assistance will be defended by a counsellor.

Officer-lawyers appearing in court will wear service dress with Sam Browne belt or arms instead of the traditional wig and gown. Their admission to the bar makes legal history. The Inns of Court, which control admission, passed a special wartime regulation enabling these few Canadian lawyers of five years' standing to be called temporarily to the bar without examination or payment of fees.

It takes seven years in the shortest to get a rubber plantation to the tapping stage.

Mackenzie King Starts Eastward

ABOARD C.N.R. TRAIN FROM NEW WESTMINSTER (CP)—Prime Minister Mackenzie King will arrive in Edmonton this evening after three full days inspecting the Pacific coast defences and industrial establishments which, he told the Canadian Press "please me beyond all words."

If there were misgivings among the people of Canada regarding this country's war effort, there was now no basis for them, he said.

PLEASED WITH EFFORT

What he had seen in and about Victoria and Vancouver had satisfied him as to what Canada was doing and could do in the war effort.

At Boundary Bay the Prime Minister opened the elementary flying school, operating since last April, but not quite completed. He declared his belief that the Commonwealth Air Training Plan would be one of the decisive forces in winning the war.

MORE FLIERS GOING

He said announcement would be made shortly of more Royal Canadian Air Force squadrons operating in England as such. One of the reasons Air Minister Power flew to England a few days ago was to arrange for an increase in the number of squadrons making up the Canadian air units operating with the Royal Air Force, he said.

CONSCRIPTION

Mr. King was shown the statement issued in Ottawa by Hon. W. D. Herridge, founder and former leader of the New Democracy movement, calling for a general election on the issue of conscription.

Later a five-page letter from Brig.-Gen. J. A. Clark, K.C., former Conservative M.P. for Vancouver-Burrard, came to the Prime Minister. This letter criticised the Prime Minister's Vancouver luncheon speech of Monday, suggested the government had already taken a long step toward conscription with the National Resources Mobilization Act.

Canadians had accepted that measure, which conscripted men for service in Canada, Gen. Clark said, and had absolved the Prime Minister of any breach of his pledge against conscription.

Gen. Clark said Canadians would accept conscription for a total war effort and "They want you to know they will back you to the point of any sacrifice."

Mr. King said he would study the submissions.

R.C.A.F. Man Killed

MOOSE JAW, Sask. (CP)—L.A.C. William Darling of Revelstoke was killed and F.O. J. Constabaris was injured last night when their Harvard airplane from the No. 32 Service Flying Training School here crashed near Buttriss, 16 miles south of Moose Jaw.

Royal Canadian Air Force officials are investigating the crash.

L.A.C. Darling is survived by a widow, Mrs. L. M. Darling, a bride of a few months.

B.C. Forestry Men Reach Britain With Latest Canadian Contingent

By ROSS MUNRO
SOMEWHERE IN ENGLAND (CP)—Canada's mighty new contingent of troops, the largest sent to this war, were scattered today to a score of Canadian camps in England and Scotland by long lines of troop trains which took them from the debarkation port.

Bereted soldiers of the army tank brigade, first such outfit to be raised in the Dominion, streamed into the tented camps where they will shortly receive tanks and armored vehicles for their final brush-up training before taking an operational role with the Canadian Corps.

Lt.-Gen. A. G. L. McNaughton, corps commander, plans to visit the brigade soon to see the crack troops commanded by Brig. F. F. Worthington, who is living under canvas with his men.

Foresters Go Right to Work

New forestry corps companies were hustled to Scottish camps, where they will start lumbering operations immediately on a project as gigantic as anything the United Kingdom has ever seen.

Light anti-aircraft drafts went to training school, where they joined several thousand other Canadian gunners preparing for work with the Canadian Corps. Thousands of miscellaneous reinforcements were welcomed to the holding unit camps.

Air force personnel was taken to the R.A.F. reception depot and will be allotted soon to various squadrons.

The troops came ashore by the thousands from a huge convoy which brought them across the Atlantic without incident.

The contingent included a complete 1,200-bed hospital outfit from Montreal with more than 80 nursing sisters. There were also some Belgians, Hollanders and Norwegians who received their training in Canada, but the first and largest group to land consisted of tank troops. It is complete with repair shop, signal section, service corps and medical sections.

The men streamed ashore in thousands from a huge convoy, brought safely across the Atlantic in a mighty naval escort which

Vladivostok Blockade?

Japanese Order Ships Back to Home Ports

MANILA (AP)—The Tabacalera Company of Manila was notified from Kobe today the Japanese merchantman Kyusyu Maru, carrying cargo from the Philippines to the United States, had been requisitioned by the Japanese government and ordered not to proceed to its destination.

Manila shipping quarters expressed the opinion the Japanese government might be preparing to requisition all Japanese ships operating between the Philippines, Japan and the United States.

Reports circulating in reliable Manila quarters said the Japanese government had ordered all ships in Philippine waters to return immediately to their home ports.

The Japanese consul-general said he had heard the reports but had no official confirmation of them.

(In Chungking, it was rumored in Chinese circles Hitler's price for Axis recognition of the Japanese-sponsored Wang Ching-wei Nanking government was a Japanese blockade of Vladivostok, Siberia.)

(It was predicted the blockade against that port, Russia's most important on the Pacific, would be attempted within a few days.)

CARGO LANDED

The advices from Kobe said the Kyusyu Maru had been halted at that Japanese port and the cargo discharged there "at the risk and expense of the owners of the shipments."

Officials of the Tabacalera Company, local agents for the vessel, said no reason was given for the action. They said the ship was carrying coconut oil, hemp and chrome ore, all materials essential to the national defence program. It also carried sugar.

Reliable sources said the Japanese merchantman Nozima Maru, now anchored in Manila Bay, would be ordered to unload its cargo of 6,000 tons of chrome ore consigned to the United States and then sail to its home port.

TRADE DWINDLES

Philippine shippers fear trade

proved anew Britain's mastery of the seas.

Fittest and gayest troops to land this year, they poured off their grim, grey ships whistling and laughing at the end of the crossing.

Submarine Scared Off By Warships

During the voyage the sighting of a submarine on the surface in the vicinity of the convoy forced the big liners to take a new course. Destroyers went off to hunt the marauder and made it keep its distance.

A Reuters' news correspondent aboard one of the escorting British destroyers said: "The submarine was sighted far on the opposite side of the convoy from us. The submarine, sighting us, evidently made a crash dive. For half an hour she was hunted without avail."

"Until the convoy was well on its new course and out of harm's way the hunters kept her down to prevent her reporting us or observing our movements. But she might have reported us already to waiting partners. That made us wonder a little."

The presence of the lurking submarine went unobserved by many soldiers and airmen aboard the big transports. When they landed they reported depth charges had been dropped, but said they were not sure whether there was a submarine or not.

No further sign of any enemy vessels was seen by the convoy, and the transports totaling nearly 140,000 tons safely headed into port. No hostile aircraft were sighted in the area of possible air attack.

Navy Cheered By Landing Troops

The troops came ashore in tenders, lustily cheering the Royal Navy as they passed units lying about the harbor. They piled their kits in baggage cars of the "funny" English trains which chugged from the station to carry the new arrivals to camps on Britain's battle lines.

Officers and men of central Ontario, Alberta and Quebec battalions crowding the docks were welcomed by Geoffrey Shakespeare, Dominions Under Secretary; Brig. Worthington and Gen.

don B. Johnson, Canadian government Trade Commissioner for Scotland, who represented Hon. Vincent Massey, Canadian High Commissioner.

Historic Moment Says Shakespeare

Mr. Shakespeare, standing atop a pile of trunks, said:

"The British government and the whole country are glad to receive this fine reinforcement of fighting men from Canada."

"This is an historic occasion for it marks the first time tank formations have come from Canada and shows how far-seeing are the Canadian government and military in realizing that not only men but machines are needed in this war."

"The war has shown it is aircraft and tanks that are important and vital."

Mr. Shakespeare said if Germany "should clean up Russia it would be our turn next."

"In that case the only obstruction in the path of the Nazis would be the embattled forces of the Empire," he added. "We are determined that our free way of life will prevail and that we will rid the world of this pestilence and plague known as Hitler's New Order."

"The inhabitants of England will sleep much better now that this brigade of cheerful, handsome and healthy Canadian tankmen is here."

B.C. Men Among Foresters

Brig.-Gen. J. B. White met the foresters. Their officers included Majors R. E. Maude-Roxby, Kelowna, B.C.; L. M. Hanbury, Vancouver, formerly of Brandon, Man.; A. C. McCall, Kirkland Lake, Ont.; W. A. H. Ferguson, Haileybury, Ont.; R. A. Montgomery, Chicoutimi, Que., and Lieut. Art Hudson, Prince Albert, Sask.

"The lads will be happy when they are cutting down those Scottish pines and hear sawmills again," said Pte. J. B. Mitchell of Vancouver, for 17 years a British Columbia lumberman, as he sat on his kit, awaiting to depart with Ptes. D. M. Shaver, Portland, Ore.; Vic Allen, Lumby, B.C., and O. F. Andrews, Enderby, B.C.

POLES EXPECT RESTORATION

LONDON (CP)—Gen. Wladyslaw Sikorski, Polish prime minister, declared here the German invasion of Soviet Russia was a "favorable event" and that Poles could expect the Russians to restore Soviet-Polish relations to their prewar status.

"Restoration of territories seized by Russia will now be only natural and justified," Gen. Sikorski declared at a luncheon in his honor.

Gen. Sikorski said the Polish attitude was the same as the British in the issue between Communism and Nazism; that for Poles it is a struggle only "for national independence, freedom of conscience and democracy based on security."

Pupils Give Recital

The pupils of Miss Dermot Baillie held their summer piano recital at her residence, 2465 Epworth Street, Monday evening. The following took part in the program: Betty and Marianne Browne, David and Peggy Cook, Vera Curtis, Noreen, Kathleen and Lois Nairne, Patsy Richardson, Margie Smith, Ian and Myra Wallace. First prize was won by K. Nairne, second prize by Betty Browne.

"Build B.C. Payrolls"

For Every Purpose

One day, its years ago now, we got a letter describing Pacific as the "all-purpose" milk. The phrase was impressive. Shortly afterwards a letter arrived using the same phrase and since then it has appeared in letters probably a score of times.

It means something. It means Pacific is used for everything.

RAINS BENEFIT PRAIRIE CROPS

OTTAWA (CP)—Generally favorable crop conditions in western Canada, some relief from drought in Ontario and Quebec and fair conditions in the Maritime provinces were reported by the Dominion Bureau of Statistics today in the third of a series of seven telegraphic crop reports covering all Canada.

While the prairie picture was generally good the report said a serious decline in crop conditions occurred over widespread areas of Saskatchewan.

Crop growth has been rather backward in the Maritime provinces.

Light to heavy rains at the week-end at most points in the prairies brought welcome relief from a protracted heat wave. In Manitoba moderate showers maintained favorable moisture situation and prospects for most crops remained excellent. Considerable improvement in the corn crop resulted from the high temperatures.

Peace Plea Urged On Roosevelt

WASHINGTON (AP)—President Roosevelt was urged today by two foes of administration foreign policy to make a Fourth of July plea for a negotiated peace in the war.

Senators Burton Wheeler, Democrat, Montana, and Gerald Nye, Republican, North Dakota, voiced opinion that the President's Independence Day address to the United States would give him "an appropriate opportunity" for such a message.

A third administration critic, Senator Robert Taft, Republican, Ohio, expressed himself in favor of having Mr. Roosevelt explore peace possibilities.

The three senators, in separate statements, took the position that because of the Russo-Nazi conflict, the time is ripe for Britain to obtain a favorable peace with the Axis.

IDEA OPPOSED

There was no expectation here, however, that the suggestions

"Chance of a Lifetime" at Malleks

JULY CLEARANCE

would be acted on. Administration officials repeatedly have stressed conviction that a negotiated peace at this time would be equivalent to a Hitler-dictated peace. Previous proposals that Mr. Roosevelt intervene have been futile.

Wheeler contended a negotiated peace "would be the quickest and surest way to defeat Hitler."

He argued that although Nazi armies might conquer territory, the diverse nationalities and conflicting interests of subjugated nations would cause Hitler's system to "crack and crumble, even as all those conquerors who have gone before him have crumbled."

A.R.P. Certificates Awarded at Colwood

The class in first aid for A.R.P. work received certificates Saturday evening in Colwood Hall from A. Lumley, the instructor, who stated the class had shown fine enthusiasm. On behalf of the class W. R. Robinson paid tribute to the excellent instruction given by Mr. Lumley, who was then presented with a handsome piece of silverware. Mrs. F. A. Parker making the presentation.

Dola Hughes, who had taken the part of the injured person during the series of lectures, was the recipient of a gift from Mr. Lumley. Certificates were awarded to Mrs. F. A. Parker, Mrs. J. McLennan, Mrs. Bert Parker, Mrs. Jack Jameson, Mrs. S. M. Vallis, Misses Adria Murray and Eliza-

beth Welch, Messrs. J. A. Woods, A. W. Weeks, J. E. Shields, H. Stevens, A. Smith, W. R. Robinson, J. F. Robinson, T. Millburn, J. W. Little, J. H. Goodall and J. Jamieson.

Supper was served by the ladies after hearing a short address by Mr. Lumley on "Contagion and First Aid in the Home."

A first aid practice in A.R.P. work will be held shortly.

Flower Show at Luxton Tomorrow

The Luxton and Happy Valley Women's Institute will hold its summer flower show tomorrow afternoon in Luxton Hall. Miss K. Oldfield, president of the Royal Oak Women's Institute, will open the show.

Mrs. J. Trace and Mrs. R. B. Hoag, president and vice-president respectively, will act as general conveners with institute members assisting in the various stalls.

The judges will be Miss Savory and Miss Oldfield for flowers, Mrs. H. Baxter for children's work, J. F. Day for vegetables and children's miniature gardens, H. E. C. Hebb for eggs and Mrs. H. F. Day for home cooking. Judging of children's decorated tables will be by ballot.

House-hold and other games will be featured and afternoon tea will be served.

With the Forces

30 ENGINEERS ARE WANTED BY ARMY

Opportunity is being given to 30 young mechanical, electrical and metallurgical engineers across Canada to become ordnance mechanical engineers in the Canadian Army. Local candidates were invited today to appear for interviews at the office of the district ordnance mechanical engineers, Major G. G. M. Carr-Harris, at the Ordnance Depot, Signal Hill.

Major Carr-Harris will interview applicants here until Saturday. On July 6 and 7 he will consider applications at the Vancouver Hotel, in Vancouver.

Candidates accepted will become lieutenants in the army. To be accepted, applicants must be university graduates in mechanical, electrical or metallurgical engineering; medically fit, and under 45. Younger men, fit for active service, are especially desired. Practical experience in industrial engineering is desirable but not essential.

Will Train Here

Reserve army qualification courses for senior and junior officers have started at training centres throughout the Dominion.

Fifty-eight candidates were selected recently to attend qualifying courses for the rank of major, starting June 30 for two weeks at schools of instruction in advanced training centres.

Two hundred vacancies were allotted to eastern military districts Nos. 1 to 7 for Canadian officers' training corps and other reserve personnel to take reserve qualification at the officers' training centre, Brockville, Ont.

Sixty vacancies were allotted to western districts for members of the reserve to take the same courses at the officers' training centres at Gordon Head, starting July 11, and another allotment for 100 to start the course August 8.

Arrangements are being made for concentration in training centres about July 15 of 4th Division Active Army units now mobilizing. The division is under command of Major-Gen. L. F. Page.

Father Meets Son

A BRITISH PORT (CP)—Cpl. William Pert of Woodstock, N.B., enlisted in the Canadian Forestry Corps and his 21-year-old son, William Jr., joined the Royal Canadian Artillery.

They went to Canadian training camps and did not see each other for months.

The first night at sea of the latest contingent of Canadian forces to land in the United Kingdom, Cpl. Pert bumped into his gunner son on deck.

"I did not know he was coming over and he did not know I was," said the father. "What a reunion! What a break!"

Canadian Officers Back From Britain

A group of 16 Canadian officials, all majors and captains, have returned from service with the Dominion forces in Britain to take army courses in Canada. All will have a brief furlough before taking up their new work. They included Capt. Douglas

"A couple of months in the army will make men out of you guys!"

Cunnington, G.M., of Calgary, who won his decoration, the George Medal, for removing an unexploded time-bomb from a factory in Britain. His wife is the former Ivy Brown of Victoria.

Others in the group were: Maj. C. A. Lyndon, Edmonton; Maj. A. T. Dixon, Regina; Capt. G. P. Hartling, Edmonton; Capt. L. H. Young, Winnipeg; Capt. J. S. Adam, Victoria, and Capt. A. F. B. Knight, Winnipeg.

Walks to Join Up

PEACE RIVER, Alta., (CP)—E. G. Barrette, a member of the Metis colony near Keg River, walked 100 miles in two nights and a day in order to arrive at Peace River, in time to appear before a recruiting party. After examination he was passed with an "A" category and left to don uniform.

Throughout two nights and one day he walked without stopping to sleep, eating from a meagre lunch which he carried with him. All the time it was raining, and the going was tough.

When he came to the third Battle River the lack of a bridge failed to deter him, and he forded the stream, with the water above his waist and a strong current running.

Retreat Schedule

Retreat will be played each night at 8 during the rest of this week at the Parliament Buildings, as follows:

Tonight—5th (B.C.) Coast Brigade (R.F.) Band; route march by 5th Brigade (R.F.) after retreat.

Friday—Retreat, Esquimalt Garrison Band; route march at 2 p.m. by Royal Canadian Ordnance Corps.

Saturday—Retreat, Esquimalt Garrison Band; route march by No. 11 District Depot at 10.30 a.m.

The Esquimalt Garrison Band will parade at Yates and Blanshard Streets on Sunday afternoon at 1.

Jamaicans to Fight

A BRITISH PORT (CP)—The first group of Jamaican troops to come to Britain—39 negro privates commanded by Cpl. W. W. Simmonds of Kingston—landed in the United Kingdom with the latest Canadian contingent.

Tradesmen, fitters, welders and mechanics, the Jamaicans joined up when the British army sent out its call for specialists.

R.C.A.M.C. Units Leave Tomorrow

The 13th Light Field Ambulance, R.C.A.M.C., and 11th Field Hygiene Section, R.C.A.M.C., with attached personnel, will leave Victoria by boat tomorrow afternoon en route to eastern Canada for further training.

Officers leaving on the trip are: Lieut.-Col. Roy Mustard, officer commanding the 13th Light Field Ambulance; Capt. Murray Anderson, officer commanding the 11th Field Hygiene Section; Major C. A. Watson, Capt. J. S. McCannell, Capt. George Stoker, Capt. W. M. G. Wilson, Lieut. Gordon Johnston, Lieut. Keith MacLean, Lieut. William Menzie, Lieut. R. P. H. Baird, and Lieut. J. Dolan.

Hold Seas and Air

LONDON (CP)—Gen. Sir Claude Auchinleck, new British Middle East commander, considers a Nazi victory over Russia and a possible break-through into eastern Asia of little consequence because "we hold the seas and I feel we are beginning to hold the air, too."

Sir Claude expressed his opinion in a farewell speech as commander-in-chief in India, it was reported here today.

TRAINS IN R.C.A.F.—Geoffrey Deeprose, 18, son of Mr. and Mrs. Fred Deeprose of Cedar Hill Crossroad, has joined the air force to train as a gunner. Born in Yeoford, Alta., he came to Colwood in 1932.

Children Assist

The heart appeal of the Lord Mayor of London's fund for British victims of air raids has reached another group of youngsters, according to a letter and \$2 cheque received by Mayor Andrew McGavin today.

The letter, written on behalf of junior members of the W.A. of the Missionary Society of the Church of England in Canada, Columbia Diocese, said in part:

"These little ones felt they wanted to have a part in this worthy cause after it had been explained to them. Their ages range from six to 12 years."

Saanich School Trustee Resigns

Resignation of Dr. Stanley F. Miles from the Saanich School Board was announced at a meeting last night. The resignation had been accepted with regret at a previous meeting and the municipal council informed.

The council has 30 days in which to call a by-election but may not act. In that case, the board will fill the vacancy subject to the approval of the Council of Public Instruction.

Dr. Miles' term would have expired at the close of this year.

The board decided to hold a special meeting on July 10 at which applications for positions on the municipal school staff will be interviewed. Three will be considered for the position of industrial arts instructors. Thirteen others will try for five positions on the elementary teaching staff.

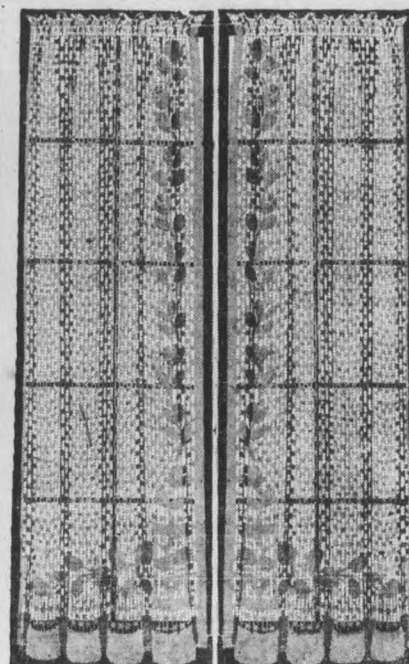

The board also decided to have two three-lamp fluorescent lighting fixtures installed in each of the eight classrooms of Tillicum School.

Securing Copies Of Booklets

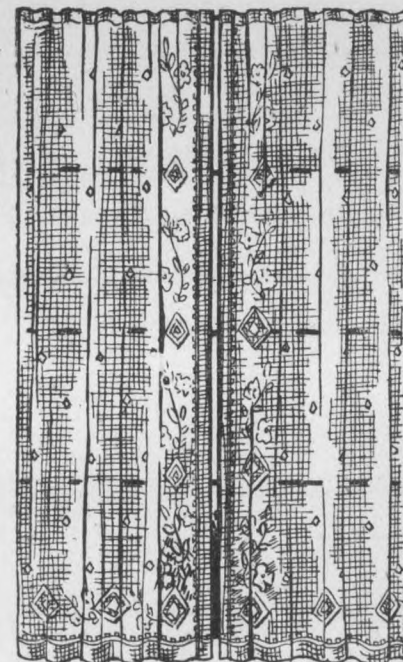

The Greater Victoria War Savings Committee, anxious to co-operate in all branches of the war effort, is securing several hundred copies of "Canada War Record" and "Canada at War" for distribution to persons who wish accurate information on the extent of Canada's participation in the war.

These two pamphlets have been published by the director of public information. They summarize facts concerning the navy, army and air force, munitions and supply, aid to Britain, financial undertakings, the war and Canadian economy, United States co-operation, voluntary services and home defence. "Canada's War Record" is a condensation of "Canada at War," designed to fit into a passport book.

25 Years Ago

JULY 3, 1916

The will of Field Marshal Earl Kitchener was admitted to probate in London today, showing he left an estate valued at \$857,100.

A pretty wedding was solemnized at St. Michael's Church, Royal Oak, by Rev. H. D. Hadlow, the principals being Ethel, only daughter of Mr. and Mrs. Louis Duval, and Mr. William P. Rankin. Attendants were Miss Bertha Boydell and Mr. Ingram.

A tremendous British offensive was launched at 7.30 the morning of July 1, over a front extending 20 miles north of the Somme. At the same time the surrender of the remnant of the German garrison at La Boisselle was announced.

The little steamer Pilot left today for Guatemala to salvage the former German steamer Sesostri, which has been aground for the last nine years. Capt. F. C. Stratford was in command and Chief Engineer Allen and Capt. Robinson Ridgley also sailed on the Pilot.

Mrs. Hetty Green, said to be the wealthiest woman in the world, died today at her New York home.

William Sloan has been chosen unanimously to run as Liberal candidate at the forthcoming provincial election.

Oak Bay Seeks More Postmen

Oak Bay Conservative Association has taken up the question of more letter carriers for Oak Bay, and has received word from the Postmaster-General's office stating that the letter carrier routes in the district will be surveyed again in October or November.

The Postmaster-General said a survey had recently been made and two letter carrier routes added in the Victoria area.

George F. Salmon, Conservative Association secretary, said since 1931 1,160 homes had been built in Oak Bay alone, and only one route added there. In Greater Victoria he estimated there were 3,700 new homes in the period.

Restriction Lifted

The prohibition by the Special Products Board of movement of sugar-packed strawberries out of storage was removed today, it was announced by R. S. O'Meara, agent for the board here.

Restrictions on SO2 strawberries remain in effect, he said. The ban was imposed by the board as a means of ensuring that strawberries will be available for shipment to the United Kingdom.

Air Force Band Plays at Dance

The Royal Canadian Air Force Band will render popular swing and waltz numbers at a flannel dance to be given tomorrow night at Royal Oak W.I. Hall, in aid of the Royal Oak unit of the Red Cross.

The dance, originally planned for July 2, was postponed because the band journeyed to Vancouver to attend the opening of the Boundary Bay airfield, dedicated by Prime Minister Mackenzie King. They are returning today to be in attendance for the dance.

The Victoria Girls' Drill Team will also display one of their colorful numbers, under the direction of Capt. Norman Foster, and a group of dancers from Miss Wynne Shaw's studio will do specialty numbers at the intermissions.

The walls of the hall will be draped with red, white and blue bunting, and gay streamers in colors of the navy, army and air force will be hung across the ceiling, releasing a cloud of balloons during the evening. A "spot waltz" will be featured, prizes given to winning couples, and a buffet supper will be served.

NUTRITIONISTS CONFER—Miss Evelyn Lattin, home economics teacher from Abbotsford, B.C., and Miss Muriel Cameron of the Department of Agriculture, Ottawa, sit at the feet of Dr. E. W. McCollum, professor of biochemistry at Johns Hopkins University, Baltimore, in the gardens of the Empress Hotel. He addressed the Canadian Home Economics Association convention, at which they are delegates.

Petition Governments to Appoint Nutritionists

Federal and provincial authorities will be petitioned by the Canadian Home Economics Association to appoint specially trained nutritionists to the Dominion Department of Health and the various provinces in a co-ordinated effort to attain immediate instruction in food values and efficient meals in every Canadian home as an urgent war measure.

This was the tenor of a resolution passed unanimously at the association's convention yesterday afternoon following the report presented by Miss Marion Harlow, nutritionist of the Victorian Order of Nurses, Montreal, and convener of the nutrition committee. The committee's report gave a resume of the Canadian survey of what is being done by home economics workers under various agencies and of the plans being made for the future.

WAR EFFORT

Under this head was given an analysis of the war effort along food conservation lines, and the material prepared by the various provinces along the lines of applied nutrition; the campaigns organized in the interests of nutrition, and the furthering of improved instruction in nutrition work for boys as potential partners in future Canadian homes.

After dealing with the recommendations arising out of the committee's report, the convention, feeling that a definite united program should become national, unanimously endorsed the National Council of Women's resolution, passed at its recent convention in Winnipeg, petitioning the governments to lend their support to the attaining of efficient meals in every home by the appointment of specially trained nutritionists. The association will forward its resolution to the Prime Minister, the Federal Departments of Agriculture and Health and Pensions, the Canadian Council of Nutrition and the nutrition committee of the Canadian Medical Association.

CONDUCT SURVEY

An extensive survey of educational opportunities in home economics across Canada, now being undertaken by its educational committee, is one of the three major projects of the Canadian Home Economics Association, it was revealed by Miss Jessie McLennan, the national president, in her address. She expressed the hope that the association would be given the opportunity to establish a common course of studies for all the provinces, after the research into each system now in use had been thoroughly completed.

Miss McLennan touched upon the other two projects now in hand, including the raising of funds for the purchase of a mobile canteen to be sent to Great Britain, which objective the association hopes to attain in a few days. Another important undertaking in hand at the moment was the history of home economics across Canada, which is being undertaken by the journalistic committee. Miss Elizabeth Berry Lightfoot, a pioneer in British Columbia home economics, who has since passed away, wrote the early history of her work in this province.

MEMBERSHIP GROWS

In her annual report, Miss Charlotte Black (Vancouver), national secretary-treasurer of the organization, announced that the original membership of 71 when the association was first founded

in 1939, had now expanded to include over 424 members.

Miss Black spoke of the boundless enthusiasm of the members who, at the outbreak of war, offered their services to the War-time Prices and Trade Board and later on to the National Committee on Refugees. To date their services had not been required but in every province representatives were ready to give their aid to the government as soon as the need would arise.

SOCIAL SERVICE

Last summer, Miss Black announced, the executive committee set up the home economics women in business committee, with Miss Dorothy Batchelor of Toronto as convener, and the nutrition committee was expanded to include social service, with Miss Marion Harlow as convener. Miss Muriel Cameron was appointed to head the nominating committee.

A representative had been sent to the Canadian National Committee on Nutrition meeting called during the month of June.

The treasurer's report submitted by Miss Black showed a substantial bank balance.

Three-day Fete at Loretto Hall

A three-day Chinese garden fete is to be held at Loretto Hall, Belleville Street, and will be formally opened by Mgr. A. G. Baker tomorrow evening at 7. On Saturday and Sunday it will be open from 3 p.m. on and throughout the evening.

A number of attractive features have been arranged by the sisters, including Chinese dances by Chinese children, which should be particularly effective against the quaint topiary for which these gardens are noted. There will also be games, prizes and refreshments, and the sisters hope to see many old and new friends during the three-day fair.

Patriotic Party For 'Y' Girls

This evening, the Vialta Vega Club of the Y.W.C.A. senior girls' department, will sponsor an "All Canadian" party as the next in the summer program series. The party will begin at 8 and will include games, singing and a quiz contest, all with a patriotic note. The supper tables will be decorated in red, white and blue and serveurs will wear red, white and blue aprons. Girls in charge of arrangements are Miss Marion Henry, club leader; Miss Phyllis Harwood, club president; Miss Evelyn Mermod, Miss Phyllis Elliot and Miss Maureen Seymour.

Summer program committee which includes the Senior Girls' Council executive and club presidents will meet Thursday evening at 7 at the Y.W.C.A. to discuss plans for the "Klondike Night" to be held at the Y.W.C.A. July 17.

Sketch Club members, under the convenship of Miss Gwladys Woodward, met Monday afternoon at "Mir-a-mar," home of Mrs. Victor Sherman, Ten Mile Point, spending an enjoyable day painting the pine trees, perennial gardens and hydrangeas, which were especially lovely. Tea was served in the drawing-room overlooking Cadboro Bay. Club will meet again next Monday at the gates of Uplands golf course to sketch fine old oak trees.

Mrs. Johnson will assist in entertaining by reading cards, and Mrs. Frampton and Mrs. Milne will read tea-cups. Mrs. E. Fanthorpe will convene the affair.

The Saskatchewan Association of Victoria are holding a dance Monday, July 7, at the A.O.F. Hall from 9 to 1 a.m., with Mr. J. E. Cooper as Master of Ceremonies, and the usual orchestra in attendance. Refreshments will be served. The annual picnic will be held at Mount Douglas Park Wednesday, July 16, at 2.30 p.m. All members and visitors from Saskatchewan are invited. The executive have decided to hold monthly socials through the summer months on the first Monday in each month. They also have purchased two \$100 Victory Loan Bonds.

The committee to the Aged Women's Home met Tuesday afternoon at 2.30; Mrs. W. L. Clay, the president, was in the chair. Owing to the holiday there was a small meeting and no accounts were in, but the treasurer was instructed to pay bills incurred. Committee for the month is Mrs. Harold Grant, convener; Mrs. F. W. Vincent and Mrs. E. Bean. General health of inmates is fair and all rooms in the building filled, there being now 116 inmates in residence. Thanks were tendered to strawberry growers of Saanich and Chamber of Commerce for their donation of four crates of berries during Strawberry Week.

Lady Auchinleck Native of Tacoma

SEATTLE (AP)—The wife of Gen. Sir Claude Auchinleck, who this week was made chief of Britain's Middle East command, is a native of Tacoma and a Seattle high school graduate. Her maiden name was Jessie Stewart. Her father was the late Alexander Stewart, former manager of the Tacoma office of Dowell and Company.

Acquaintances said she went to Scotland at about the time the United States entered the first Great War and met Sir Claude there. They were married in 1921. Her husband then had a major's rank and no title.

Wages for Wife May Follow War

LONDON (CP)—British feminists shrieked a strident "we've earned it" after Home Secretary Herbert Morrison, in a speech on the postwar world, forecast the possibility that wives in Britain might be given wages by law.

"Out of the last war women got political equality; out of this I think they will gain economically," commented Dr. Edith Summerskill, Lab member of Parliament for Fulham and one of the leaders in the parliamentary watch on women's privileges.

Asserting one postwar question might be "whether wives are going to be financially dependent or independent by having a statutory income," Morrison added: "That is the next item on the agenda and I warn you it is coming along."

BETTER VOLUNTARY

Husbands and wives both were curious how the family income would be apportioned by legislation. Until that could be settled they were more inclined to take the view of Caroline Haslett, adviser to the Labor Ministry on women's training, who thought wages for wives would develop naturally, "which is preferable to making a statutory obligation of it."

Meanwhile Mrs. Spiller gave the Freedmen League's annual meeting these figures on women engaged in war work: Women's Voluntary Service, 800,000; Red Cross nurses, 250,000; Air Raids Precaution workers, 100,000; first aid post attendants, 93,000; ambulance and report centres, 100,000; Auxiliary Territorial Service, 35,000; Women's Auxiliary Air Force, 12,000; Women's Royal Naval Service, 9,000; Land Army, 10,000.

"And there are still 165,000 unemployed, most of whom are anxious to play their part," she added.

HEAD BUSINESS WOMEN—Executive members of the Canadian Federation of Business and Professional Women's Clubs caught by the Times cameraman between sessions at the Empress yesterday. Seated, left to right, Miss Kathryn Starbuck of Saratoga Springs, New York, a visitor from the U.S. Federation; Miss Margaret Clay, national president; Miss M. Ethel Thornton, Winnipeg, national secretary. Back, Dr. M. Ellen Douglas, Winnipeg; Miss Isobel Cummings, Ottawa; Miss Mima Brown, Vancouver; Miss Leslie Pickett, Saint John, N.B.; Miss Margaret Wherry, Montreal, and Miss Alice Stevens, Vernon, B.C.

Seek Federation With British Business Women

Strengthening of the ties between organized career women of Canada and their sisters in Great Britain is foreshadowed with the Canadian Federation of Business and Professional Women's Clubs at its convention here, unanimously endorsing a recommendation that it apply for membership in the British Federation of Business and Professional Women.

The recommendation was the outcome of the report of the Federation's activities, incorporating that of the British Federation, and of the suggestions contained in the report presented by Miss Margaret Wherry, Montreal, convener of the international relations committee.

Miss Thornton, who put the recommendation to the meeting, said: "It would be great encouragement to them and an inspiration to our own federation, which might prepare the way eventually for other British countries to enter and thus form a British Commonwealth of British nations."

In her report, after tendering sympathy to the members in the Nazi-dominated countries, Miss Wherry noted with pride that the National Federation of Business and Professional Women's Clubs of Great Britain and Ireland, under the very able leadership of their president, Miss Gordon Holmes, now in Victoria for the convention, had continued to grow steadily despite war conditions, now numbering 37 clubs.

Reference was also made to the appointment of Miss Caroline Haslett, O.B.E., chairman of the British Federation, as advisor to the Ministry of Labor.

Miss Wherry's report made the following recommendations, among others: To study the findings of the International Labor Office, and where possible have speakers from this office while they are resident in Canada. To carry on regular correspondence with British clubs, sending them material that will be of special interest to their groups regarding business and professional women of Canada—relating more particularly to any outstanding work of Canadian women, legislation regarding women's work, etc.

Reports of the federation vice-presidents were presented by Mrs. Margaret Campbell of Vancouver for British Columbia, Miss Elsie T. McIntosh for Quebec, Miss Isobel Cummings for Ontario, Miss Kate W. Skinner for Nova Scotia and Miss Mildred B. McMurray for Manitoba. Clubs in British Columbia have gained in membership and are all busy in war work. Miss Campbell reported. Victoria club carries on its Bay Wiggles Memorial scholarship, assisting a girl towards a business career, and the Vancouver club has its educational loan fund, enabling girls to complete a higher education. Four shipments of clothing had been sent from B.C. to Great Britain, through the British B. and P. W. Federation, for the victims of Nazi bombings.

U.S. DELEGATION

Unexpected arrival of about 90 members of the United States Federation created a stir. The visitors, who were greeted by the national president, came over from Seattle to make a call on the Canadian convention, are on their way to the U.S. convention in California this week-end.

First of the convention's social functions was the tea given by Miss Margaret Clay at her home, Linden Avenue. The hostess was assisted in receiving by her mother, Mrs. W. L. Clay, who wore a corsage bouquet of roses and sweet peas, the gift of the Victoria club.

At the buffet luncheon in the Victoria Club's rooms in the Union Building yesterday, the Faroba Club of Vancouver, which this year celebrates its coming of age, was presented by Kate Farquharson, Victoria president, with a birthday cake, inscribed and candle-lit. Lexie McKay received it on behalf of her club. Miss A. I. McRae, on behalf of the Nanaimo Club, presented the Vancouver group with a framed reproduction of the club emblem, the handwork of Miss Brown, Nanaimo.

WEDDINGS

JONES — WARD

In the presence of the immediate members of the family at the United Church Parsonage, Glyn Road, Wednesday evening, Rev. W. Allan united in wedlock Dorothy Helen, youngest daughter of Mr. and Mrs. Albert E. Ward, 3890 Douglas Street, to Albert George, only son of Mr. and Mrs. Leonard S. Jones, 1015 Carberry Gardens. Given away by her brother, Mr. Albert Ward, the bride looked very attractive in a dusty rose redingote cut in princess lines, with navy blue accessories and corsage of pink rose buds and white carnations. Miss Joan Cowdery, as bridesmaid wore an afternoon dress of blue with matching accessories and a corsage of pink carnations and sweet peas. Mr. Carl Dove supported the groom. Following the ceremony, a reception was held at the home of the bride's parents, where the guests were received by Mrs. Ward attired in a smart navy blue jacket dress with navy blue and white hat and corsage of pink carnations. She was assisted in receiving by Mrs. Jones wearing a becoming navy blue and pink ensemble with hat to match and a corsage of pink carnations. The couple left for a honeymoon up-island. Among the many gifts received was a handsome cut crystal rose bowl with matching candle holders from the staff and fellow workers of the bride in the Metropolitan store.

BRIDE ON STRETCHER

BRISTOL (CP) — Gwendoline Richards was carried to and from church in "style" when she married Bob Kirby, an ambulance driver of Bristol. The "bridal coach" was a stretcher from her husband's ambulance.

LACEY—WRIGHT

Before a white altar centred with a silver bowl of sweetheart roses and tall white taper in silver holders in the library of the Bishop's Palace, Rev. Father Gaudette, last Friday evening at 8.30, united in marriage Margaret Mary Wright, eldest daughter of Mrs. Margaret Wright, 3478 Lovatt Avenue, and the late Mr. Wright and granddaughter

of the Rev. Charles Albury Wright, and Alfred George Lacey, Naval Barracks, Comox, second son of Mr. and Mrs. John H. Lacey, 2641 Mr. Stephen Avenue.

Mr. George MacDonald, an old family friend, gave the bride away, and on either side of the couple stood tall standards of lilies. The bride was lovely in a floor-length gown of heavy white satin and chantilly lace, with high neckline and long sleeves tapering to points over the hands. From a tight-fitting bodice the plain skirt graduated from the hips into a long train diagonally inserted with lace. Over this, the bride wore her communion veil of fine silk net embroidered with lilies, fastened to her head with a coronet of orange blossoms. She carried a large shower bouquet of lilies and sweet peas.

The maid of honor, Miss Ada Rose Burt, looked charming in a baby pink jacket gown of net over satin, carrying a colonial bouquet of pink sweet peas and larkspur. Miss Sybil Wright, sister of the bride, was bridesmaid and wore a long pink gown of embroidered net over taffeta and carried a bouquet of deep blue sweet peas and larkspur.

Both attendants were lovely brooches, gifts of the bride and groom. Mr. Robert Donaldson supported the groom. During the signing of the register Miss Burt sang "Because."

Following the ceremony a reception was held in the Foresters' Hall, Cormorant Street, the bridal party receiving under an arch of red, white and blue flowers. The bride's mother wore a dusty rose chiffon frock

with white accessories and corsage of sweetheart roses and gerbera. Mrs. Lacey assisted Mrs. Wright, wearing a rust-shaded dress of silk net over taffeta, biscuit-colored hat and corsage of roses and gerbera.

On the bridal table was a three-tiered cake, on either side of which stood silver vases of red, white and blue flowers. After a short honeymoon, for which the bride changed to a French jersey skirt of pale blue, blouse and beige sport jacket and pale blue felt hat, the couple will make their home in Comox.

Out-of-town guests included: Mrs. J. Johnson and her daughter and Mr. and Mrs. H. Wilson and daughter, all of Vancouver.

PORTER—ELLIOTT

At the First United Church at high noon yesterday service was quietly solemnized by Rev. J. L. W. McLean uniting in marriage Miss Lorna Margot, only daughter of Mr. and Mrs. A. E. Elliott, Roseberry Avenue, and Mr. Charles Bernarr Porter, elder son of Mr. and Mrs. Robert Porter, Belmont Avenue.

The bride was given in marriage by her father and wore a tailored suit in light blue wool and other accessories in white. She was attended by her sister-in-law, Mrs. K. A. Elliott, who wore a light grey suit with navy-blue accessories.

The bridegroom was supported by his brother, Mr. Vernon Porter. The bride and groom left on the afternoon boat for Vancouver to spend their honeymoon on the mainland and will later make their home in Victoria.

Faithful Flavor

You'll enjoy serving this rich lusty tea... and think of the savings!

Even 18th century craftsmen felt the cultural influence of tea. During Queen Anne's reign they designed the graceful pear-shaped teapot, still widely used.

A lasting tradition... much like the zesty rich flavor of Canterbury Tea. In every choice leaf of this luxury blend you get the same true goodness, the same superb quality made famous in the teas of yore!

Yet compare Canterbury's thrifty price! By ordering direct from the importer your grocer saves you money. And how protective, how handy you'll find the new rigid carton!

Don't miss it! Canterbury Tea is so good it's guaranteed to please the entire family!

Canterbury TEA

Tea in the best tradition

Unless breakfast makes you think...

THIS WAKES A HE-MAN APPETITE!

... you are NOT getting the sort of breakfast you need!

After all, why shouldn't you enjoy breakfast? It's better for you! The right kind of appetite really does help digestion, and that's the kind of appetite Kellogg's rich, mellow flavour and delicious crispness gives.

Yes, flavour is the explanation of Kellogg's enormous popularity, the reason why a vast majority of housewives say Kellogg's Corn Flakes is their family's favourite cereal. We know, because 4 out of 5 told investigators they personally prefer its taste. Your family will thank you if you serve Kellogg's tomorrow.

Flavour experts agree. Year after year, housewives have voted Kellogg's tops for flavour. But the experts, men and women with trained palates, unhesitatingly pick Kellogg's, too. Always keep Kellogg's Corn Flakes in the house! And when you eat out, ask for the triple-wrapped individual package.

Money saving, too! Kellogg's—the "30-second breakfast," comes in two convenient sizes, only costs a few pennies for a family meal. Made by Kellogg's in London, Canada.

DECIDING TO SPEND our holiday Tuesday at the ball park, we were no end surprised to look over two of the finest exhibitions turned in by a couple of amateur clubs here in years. The games produced everything to suit the taste of the most critical fan but, to our especial delight, was the absence of errors. In recent years we have been forced to sit through some mighty pitiful substitutes for baseball, and it was with a feeling of elation we left the local pasture of swat.

Baseball in Victoria has engaged in a great struggle to regain the popularity it enjoyed a few years back and it will only take a few more games like Tuesday's to put it right back on the must-see menu of a lot of fans. This is a good ball town, if the clubs will produce the goods. And the Victoria team dished it out in a great big help, against Vancouver. In that first game the hit-and-run play pulled in that game-winning fourth inning was a pip. That is the kind of baseball the real fan appreciates. But most important was the fact the local club went through 18 innings with one lone bobbie scored against it. How often have we seen Victoria pitchers work their hearts out only to go down to defeat through lack of support?

Although he seems to get in the hair of a few fans, we think it only right to pay tribute to the hustling play of Charlie Strouger, manager of the Eagles' club and one of the finest all-around members of the All-stars. Tuesday he was shifted over to first base and, as usual, turned in a sound performance. Strouger may be a cut-up and would-be clown but he's in the ball game all the time and plays a big part in keeping the remainder of the boys on their toes. One must admire such a ball player. He's in there fighting all the way.

And here's some advice to Joe Casey, newly-appointed manager of the All-stars. Play the boys in their regular positions. Too often good players in one particular position are shifted to some other place in the field and their calibre of play suffers. If the

ball players would get wise to themselves they would refuse to take the field out of position. After all, there are enough players to draw from so that infielders are not shunted into the outfield and vice versa. It's not fair to the players.

Boys who bet the ponies on form are still recovering from the beating they took after Tuesday's card at Lansdowne Park. It must have been a great day for the punters, although all the wise ones we talked to on their return from the mainland track took an awful sock in the bankroll. Biggest shock to their systems appears to have been the victory of Akahiloa in a six-furlong sprint, beating such speed burners as Napperton and Be Mine. Our only recollections of Akahiloa are over the jumps at the Willows.

Defeat of Victoria's handicap champion, Killarney L., should not have surprised the majority. After all, the horse had only recently returned from Winnipeg and that long train ride was certain to take a lot out of him. We doubt if even his greatest supporter, trainer "Doc" Darbyshire, expected much from the horse on Tuesday. And Patage, winner of the race, certainly figured on recent performances. We are surprised so many allowed him to go to the post paying 7 to 1.

Much ado was made over the victory of the University of Washington Huskies in the recent regatta at Poughkeepsie, but how many knew that of the nine crews in the varsity race, six were coached by Washington graduates?

The non-Washington drill-masters were Hube Glendon of Columbia, Ned Ten Eyck of Syracuse and Allen Walz of Wisconsin. Yale obtained the jump on Harvard years back by importing Ed Leader of Washington, and the Crimson didn't catch up until they brought in Tom Bolles from the same institution. Pennsylvania, little Marietta on the Ohio and other schools sporting shells are guided by Washington men.

There must be something in that Husky stroke.

Zivic Gets Revenge

Tears Davis Apart

NEW YORK (AP)—Bummy Davis, the unpopular title waif from Brooklyn, can go back and tell his army buddies in Texas that he put up a courageous fight before he bowed to Fritz Zivic last night at the Polo Grounds. Davis was down for a seven count in the first round.

In fact, the ringside regulars were trying to remember today any boxer who had absorbed a worse licking in a local ring just before Bummy finally sagged against the ropes in the 10th round and signified that he had taken enough.

Bummy's face was smeared with blood and he was helpless, his head and body being torn by the machine-gun punches of the welterweight champion, when Referee Arthur Donovan called it off.

Zivic did an artistic job on the soldier boy, taking full revenge for the foul shots that Davis poured into his trunks at their first meeting last November.

All Davis had was a left hook, and he was helpless in the clinches. Zivic, who had waited eight months for another chance at Bummy, had just about everything, including a left jab that was in Bummy's face all night.

Mixed Events At Cycledrome

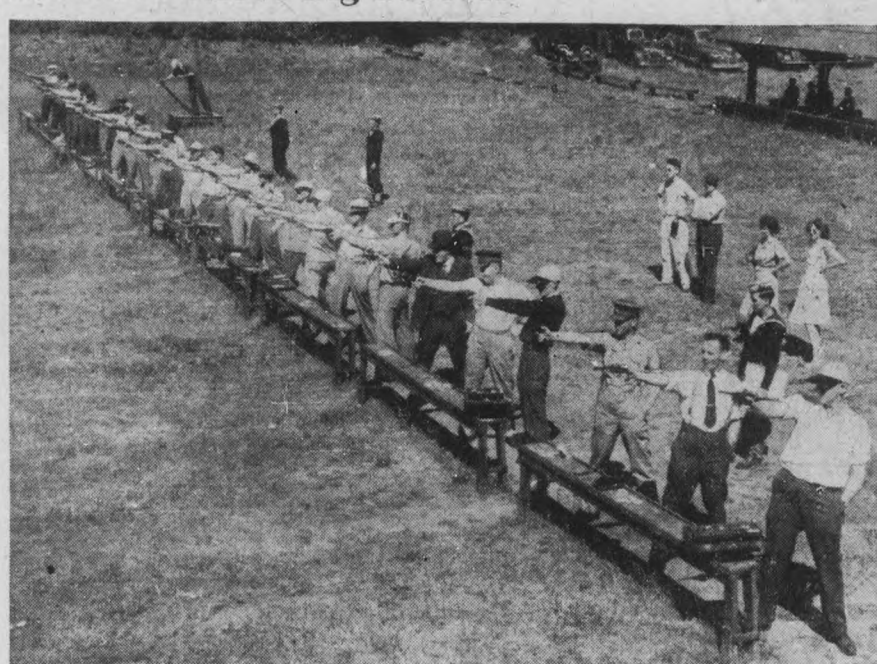

Another mixture of bike racing, boxing and wrestling will come to a boil Friday evening at the Douglas Street Cycledrome under promoters Tommy Drysdale and Louis Callan.

Feature attraction will be a return bout between "Tiger" Goldstick and George Lowe, both of whom will attempt to massage each other's faces on the mat in that little piece of showmanship called wrestling. Murray Speller and John Bartlett will grunt, groan and squirm in a second bout with a main heavyweight match to follow, principals as yet unnamed.

In the fist-cuff section, Roy Duval, A. B. Grayson, Bud Porter and Herb Hill, well known in local leather pushing circles, will supply excitement. In the prelims, scrappers from the Victoria Boys' Athletic and Hobby Club will appear.

Cycling races around the bowl will conclude the evening's card. The program will open at 8.

Revolver Shoot Big Success

Marksmen at the Victoria City Police Revolver Club shoot at Thetis Lake range are shown on the firing line during one of yesterday's matches.

Presentation of prizes by Mayor McGavin followed by a dance on the top floor of the city police station last night closed the annual two-day shoot of the Victoria City Police Revolver Club, which was voted the most successful ever held.

Shooting was held at the Thetis Lake range. The meet was held under the patronage of Mayor McGavin and Commissioners D. D. McTavish and W. H. Davies.

C. L. Harrison was chairman of the committee in charge. Members of the committee were Chief of Police McLellan, Detective Inspector Rogers, Inspector Caldwell, Sergeant Hall, Detective Richards, Sergeant Woolsey and Bill Ostler, secretary of the club.

The crack Provincial Police team of C. Clark, J. A. Young, J. A. Henry, W. G. Bailey and N. Parsley won yesterday's team event open to any police department, club or organized body. The winning score was 1,300.

Seattle police were second with 1,279. The visiting team consisted of S. T. Neilson, L. J. Trones, R. M. Anderson, W. F. Day and Dick Trueblood.

A Raymond, Washington man, Clifford Smith, won the 38-calibre national match course open event with a score of 285. Dick Trueblood was second with 276 and R. M. Anderson third with 277 points.

A match for United States visitors was won by L. J. Jones, Seattle, with a score of 282. Clifford Smith was next in line with 273 and Dick Trueblood third with 272.

Mrs. F. Trones, Seattle, was tops in an event for United States women visitors with a score of 256. Mrs. E. Tillman, Portland, was second with a score of 225.

Prior to the prize-giving and dance, Chief McLellan entertained visiting marksmen at a dinner in Terry's. During the prize-giving Sergeant W. F. Day of the Seattle police thanked the Victoria club on behalf of the U.S. visitors for the reception they had received.

A 286-point score won J. A. Young first place in the 22-calibre national match course. Dick Trueblood was second with 285 and R. M. Anderson third with 277 points.

Pitcher Bonetti Out of Baseball

DURHAM, N.C. (AP)—William G. Bramham, president of the National Association of Professional Baseball Leagues, announced yesterday that pitcher Julio Bonetti of the Los Angeles Club of the Coast League had been placed on the ineligible list as a result of a two-month investigation of the player's reported association with alleged gambling figures.

Bramham announced the decision after a trip to the west coast to complete the investigation, which he said had been carried on by the district attorney's office in Los Angeles and a private investigator employed by the Los Angeles Club.

Strouger Star As Eagles Win

Manager Charlie Strouger stepped out last night and personally led his Eagles ball team to victory over Pitzer and Nex in a Rithet Cup battle. The talkative Strouger smacked out a triple, double and single in three trips to the plate, as his club won 10 to 3.

A four-run lead gained in the first three innings was enough for the Eagles to win but they added three more in the fifth, two in the seventh and a single in the eighth for good measure. Pitzer and Nex bunched their three hits in the sixth for as many runs.

Russ Richardson hurried for the Eagles and had matters under control all the way. He struck out seven. Ritchie Nicol opened for Pitzer and Nex and, after allowing seven hits for as a like number of runs, was yanked after five innings to be replaced by Wack Osman.

In the second division fixtures the Eagles whipped Pitzer and Nex 7 to 3 and the Navy accounted for the Tillikum Cubs 7 to 4.

Short score follows:

Pitzer and Nex	3	3	2
Eagles	10	10	2

Batteries—Nicol, Osman and Garnet; Richardson and Patterson.

FIGHTER DIES

DENVER (AP)—Boxer Roy (Jack) Gillespie, 25, Denver middleweight, died yesterday of a brain injury physicians said he suffered Monday night in a fight with Jack Chase, who fights under the name of Young Jack Louis. Louis has been under technical custody pending an investigation.

DiMaggio Takes Place Among Game's Greatest

Airmen Meet Longshoremen

Jim Lackie, looking for fields of competition afar for his provincial champion V.L.A.-Causeway softball team, is sure he has found a good ticket in the R.C.A.F., opponents for tonight at the Athletic Park. Play will start at 6:15.

The men who wear the blue-grey uniforms are reported to have a balanced team that is strong in all sections. Lackie will start Ray Byers in the pitching box against the flyers, a man who is capable of giving any team plenty of trouble.

In last night's games the scoring was rife. Douglas Tire, behind the six-hit pitching of Rom Knott, blitzed Hudson's Bay with six runs in the second inning to coast home to a 7 to 0 win.

Both teams slugging the ball hither and yon, Wilson and Cabeldu and Civics met at Central Park, the former team slugging a bit harder to win 27 to 15.

Pasting home eight runs in the first inning to take up their place in the driver's seat, McLennan, McFeeley & Prior softballers stayed in that position for the rest of the game, and easily won from Hickman Tye 17 to 4.

In a women's league fixture at Savory Park, Cardinals scored four runs in each of the first, fourth and sixth innings to turn back Units 13 to 6.

Rich Doubles At Vancouver

VANCOUVER (CP)—Jockey Eddie Franklin aboard Green Tea won the fifth and feature race at the fourth day's racing at Lansdowne Park yesterday when he drove his mount past Nanafan in a driving finish. Vade Retra was third in the clear.

Franklin was thrown from Eye Knocker in the fourth race, but he escaped injury and handled Green Tea well although the mare bore out with him in the stretch. She paid \$645, \$400, \$315.

Bosworth won the fourth race, in which Franklin and Jockey Scheing both went down, the latter on Broadway Star. Scheing was taken to hospital for observation. Torey was second and Queen Irene third.

For the second day in a row the first daily double was over \$600, with Silver Fur in the first race and Honey Pagan in the second yielding a pot of \$696.60. Middle Blouse in the sixth race and Dr. Pills in the seventh paid a second daily double of \$60.65.

Results follow:
First race—Six furlongs: Silver Fur (Christenson) \$30.90 \$15.10 \$7.40. Silver Fur (Sporr) 7.70 4.30. East Calling (Kelly) 3.85 2.20. Vade Retra (Mullman) 12.40. Also ran: Broxton, Maridore, Pharis, Seifish Joss.

Second race—Six furlongs: Honey Pagan (Poe) \$20.60 \$10.45 \$6.85. Dark Hands (Franklin) 3.85 2.20. Super Miss (Connell) 12.40. Also ran: Broxton, Maridore, Pharis, Seifish Joss.

Third race—Six furlongs: Bosworth (Warren) \$5.05 \$2.50 \$1.55. Torey (Kelly) 5.00 2.85. Queen Irene (Nelson) 5.20. Also ran: Madam Lucy, Keaton, Eye Knocker, Broadway Star, Proud Shania, Miss Ogden, Pipe's Pal, Maymint, Jack de Forest.

Fourth race—Six furlongs: Green Tea (Franklin) \$6.45 \$4.00 \$2.15. Nanafan (Bassett) 9.95 5.90. Vade Retra (Mullman) 12.40. Also ran: Hi-Rhythm, Maid of Broxton, Drift On.

Fifth race—Six furlongs: Middle Blouse (Franklin) \$22.30 \$11.10 \$7.70. Pandemonium (Scheing) 29.60 14.00. Pipe Down (Christenson) 5.45 3.20. Also ran: Shasta Club, Stolen Color, Liverpool, Dodd, Jones's Girl, Belle Park, Matheson.

Sixth race—Mile and 70 yards: Dr. Pills (Connell) \$6.60 \$3.70 \$2.50. Lady Jacqueline (Franklin) 5.45 3.20. Master Beau (Simpson) 12.40. Also ran: Sweepen, Miss Seifish, Kaywood, Leward.

C.P.R. TENNIS

Results of matches played in the consolation divisions of the C.P.R. Tennis Club yesterday follow:
D. Lockley defeated M. Steele, 6-1, 6-4.
D. Lockley and P. White defeated P. Holden and E. Foulds, 6-1, 6-3.

R. McInnes defeated C. Lewis, 2-6, 6-0, 6-3.
B. Hemmingsen and A. Clarke defeated L. Kitchin and E. Edwards, 3-6, 10-8, 7-5.

7:00—J. Moon and W. Altchison vs. winner of Beard and Lewis vs. Clarke and Edwards.

Shatters All Consecutive Hit Records

Joe DiMaggio stood on the heights of baseball glory today after having battered his way up there with the greatest batting surge the game has ever seen. The mighty New York Yankee centre fielder smashed out a home run in the fifth inning yesterday to set up an all-time major league record of hitting in 45 consecutive games.

The homer, which aided the Yanks in beating Boston Red Sox 8 to 4, broke the record of 44 straight games set by Willie Keeler of Baltimore Orioles in 1897, at a time when fouls were not counted as strikes.

DiMaggio failed to get a hit off Heber Newsome, rookie knuckle baller, in his first two times up. Then came the fifth inning. He let two wide balls pass, batted a high foul into the stands and then let go with a hefty fly into the lower section of Yankee Stadium for his 18th homer of the season and the record.

The Yanks managed to score six times on three hits in that frame, to sew up the game.

DiMaggio's record-breaking string started against Chicago White Sox on May 15. Since that date he has been 179 times at bat and hit safely 67 times. Keeler's record included 88 hits in 201 times up.

In another American League game yesterday Philadelphia Athletics took a 7 to 6 victory over Washington Senators when Bob Johnson smacked his 17th home run of the season in the 10th inning.

Buck Newsome came back with a rush to his old pitching style at Chicago, where he hurled three-hit ball against the White Sox in a night game to give Detroit Tigers a 1 to 0 victory. It was Newsome's sixth triumph of the year against six defeats.

In the National League New York Giants broke even with Boston Braves in a doubleheader, the Braves winning the opener 5 to 4, and the Giants climbing all over Art Johnson for 11 hits and a 6 to 0 shutout in the nightcap. Dick Erickson got credit for his fourth victory in the first game.

Brooklyn Dodgers romped to within a half game of the idle league leaders, St. Louis Cardinals, by besting Philadelphia Phillies 9 to 3. Dixie Walker, with two triples, a single, and five runs batted in, led the assault.

In Pittsburgh the Pirates gave Paul Derringer his 10th defeat of the year as the Bucs, out-hit 13 to 11, nevertheless went away 8 to 3. Big Max Butcher was the winning pitcher and Maurice Van Robays topped the Pirate hitters by driving in three runs.

Challdon Will Run Tomorrow

LOS ANGELES (AP)—Challdon goes to the post tomorrow in the \$20,000 American Handicap—to determine, to some extent, what chance he has of regaining the laurels he earned as America's stake champion in 1939-40.

It's the first race for big Pete since a disappointing campaign at Santa Anita last winter, and he encounters stout opposition in the rich July 4 attraction.

A dozen or so rivals are expected to run in the mile and one-eighth feature, including Charles S. Moore's Moland and Edward S. Howard's Big Pebble.

Moland was the winter champ at Santa Anita, while Big Pebble was the Mr. Big of the Florida season. Neither, however, has covered himself with victory wreaths since, it might be added.

There was an indication from trainer Tom Smith that Moland might not go. Smith has an eye on the matter of weights for the \$75,000 Gold Cup handicap July 19. The impostos come out Monday.

He wasn't too pleased with the 126 hand Moland.

Other candidates expected to be named were Roman Governor, Hysterical, Get Off, No Competition, Wolf Wolf, Sir Jeffrey, Mr. Grisout, Royal Crusader, Ship Biscuit and King Torch.

WARD RUNNER-UP FOR GOLF MEDAL

COLORADO SPRINGS, Colo. (AP)—Harry Todd, a big deadpanned Texan who wallows the ball a mile off the tee, won the medal in the 42nd annual western amateur golf tournament here yesterday with 71-70-141.

The Dallas star's two-day trip in one stroke over par across the 6,622-yard course opened his campaign for the championship that he won at Oklahoma City two years ago. He was low amateur at the national open this year at Fort Worth.

Defending champion Marvin (Bud) Ward of Spokane, Wash., although he did not have to qualify for the 32-man match play bracket beginning today, was second to Todd with a fine 71-71-142.

Tennis professional Ellsworth Vines of Pasadena, Calif., squeezed in with two others at 156, the maximum for qualification.

Where to Stay and Play On Vancouver Island

By E. L. FORBES

"It's just the sort of place we were looking for. We're going to stay a month."

"Caught a whiff of that salt sea breeze and we knew we just had to have a cottage for the summer."

"Delightful! Fell in love with the place right away. Never tasted such food. We're going back again."

Enthusiastic visitors and local vacation seekers all talk in the same way about holiday spots on Vancouver Island. It doesn't matter what they are seeking, de luxe resort or back-to-nature camping. It makes no difference where they wish to stop, mountain, lake or sandy beach—or what they plan to do, swim, hike, fish or just laze in the sun. Vancouver Island has everything to offer in the way of summertime pleasure and fun.

This Fourth of July week-end will see many of our American friends visiting with us. Especially for them we offer the following suggestions:

The tang of the sea. It permeates the sheltered nooks and the broken shoreline at SEAGIRT. One hundred and eighty acres of vacationland in East Sooke, only 25 miles from Victoria. Hike through wooded trails, laze on mossy rocks, ride in shadowed lanes. One mile of private waterfront. Panoramic vista of Sooke River valley and the verdant Sooke hills.

Feel a picnic coming on? Spend the day at MOUNT DOUGLAS PARK. Just a few miles from Victoria. Shady trees, good beach, outdoor fireplaces, tearoom on grounds.

We repeat. A visit to Cadboro Bay topped off with afternoon tea at LINGERFIELDS is just right for a sunny summer afternoon. Dainty refreshments.

Woody scene! A rustic tearoom with a big veranda set in the midst of drooping cedar trees. Delicious meals served. Better still—fishermen's breakfasts—any hour. The ANCHORAGE TEAROOM at Brentwood Bay.

Perfect natural setting! The charm of BRENTA LODGE at Brentwood Bay lies much in its wonderful view. Situated in three acres of tall pines and cedars with a lovely old English garden surrounding it, the inn looks out over the mirror-like waters of Saanich Inlet to the wooded ridges and mountain ranges of the Malahat. Don't leave it out of your itinerary!

You'll enjoy everything at BRENTWOOD AUTO COURT. Fourteen separate suites, fully furnished with everything from radios to hot water heating. Fif-

teen lovely acres laid out in lawn, shrubbery, flowers and cherry orchard. Completely modern.

Don't miss Deep Cove. Right at the tip of the great Saanich Peninsula. Can be easily reached by either East or West Saanich highways. Perfect for day, week-end or longer vacation. Good accommodation. THE CHALET, a delightful countryside inn with pleasant rooms. Serves delicious meals. Grounds for picnickers. Garden for resident guests. WILSONA INN, with its well-kept flower gardens, is just the right spot to relax and rest. Comfortable rooms, meals served on the veranda, if desired. The view from either of these resorts is worth writing about!

You'll love this! THE ROYAL OAK INN with its real thatched roof and its air of having just been transported from a sunny lane in southern England. Open for meals only. Perfectly cooked and served. Watch the sunset from the terrace, looking out to the Olympic Mountains. Something to remember!

Another suggestion! You'll probably run up to the top of the Malahat some time during your visit. Worth it—just to see the view. While you're there be sure and drop in at THE SCENIC VIEW LODGE for a cool, crisp salad lunch or dainty afternoon tea. We know you'll be pleased!

If it's camping! Go to DON'S CAMP at Shawnigan Lake. Good cabin accommodation, store, tearoom, boats, splendid swimming, picnic grounds.

Something different! LE CAMP FRANCAIS at Shawnigan Lake, a French colony for men and women who love the French language and culture. Provides a delightful vacation combined with a broad experience in international living.

If you pass up ROSEBANK AUTO CAMP at Mill Bay you pass a real outdoor holiday. Wooded grounds, good swimming and fishing, neat, comfortable furnished cabins. Just over the Malahat but with a secluded air that gives the impression that Mill Bay is miles and miles away.

What are you looking for? Is it easy informality combined with a friendly concern for your every comfort? Is it comfortable beds, wholesome well-cooked meals? Then do consider SUMMERVILLE at Mill Bay. A really delightful small resort!

A fisherman's first consideration is Fish. We cannot absolutely guarantee that but we do guarantee comfort and convenience for the fisherman, including running water, electric light, and a supply of fuel at COWICHAN BAY AUTO PARK, Cowichan Bay. Meals if desired.

Tackle and advice if you want it!

Take your guests for a drive over the scenic Malahat then on to the ALDERLEA at Duncan. Give them the thrill of tasting a real English countryside afternoon tea in an English garden setting. A riot of flowers. Delicious meals served. Luncheons and dinners, too.

On the Island Highway—be sure and stop at Ladysmith for a breathing space. Historic old town. Choice here of three good eating places. THE TRAVELLER'S HOTEL with its new dining-room. Comfortable rooms, too. Worth considering for an overnight stop. THE WIGWAM for light lunches and afternoon snacks. Soda fountain, here. Also CHUCK'S OYSTER BAR, north on the highway. Where you'll find the best oysters—raw or cooked—you've ever tasted.

For a restful, relaxing vacation try TILlicum SEASIDE COTTAGES, located on the Yellow Point Road. Good automobile road from the main highway between Ladysmith and Nanaimo. Cottages are new, well built, attractive. Offer every convenience for a real holiday. Prepare your own meals or eat at dining lodge.

Either way, north or south, from the city of Nanaimo, you'll find much to interest you. Make your headquarters at THE MALASPINA HOTEL. Completely modern in appointments.

No worries here. Your children perfectly safe on a wide sand beach. Good cabin accommodation. Friendly atmosphere. Good stores near at hand. All this at HARRISON PARKS-VILLE BEACH CAMP.

The same goes for this: EDGE-WATER PARK TOURIST CAMP at Parksville is the holiday spot tired mothers dream of. Safe sand beach extends for miles. Modern furnished cottages.

Right on the beach. The ISLAND HALL HOTEL at Parksville Bay. A charming summer vacation spot with lovely appointments, beautiful view, comfortable sleeping rooms and delightful dining-room.

Cradled in the hills, Cameron Lake, a bit of emerald green water tucked in a hollow of the mountainside at the foot of snow-capped Mount Arrowsmith. CAMERON LAKE CHALET, right on the lake, gives the visitor a real taste of mountain holiday life. Comfortable rooms. Good meals.

A tip for you. THE GREEN LANTERN AUTO CAMP at Courtenay offers de luxe cottage accommodation at rates that will truly amaze you, they are so reasonable.

Travel the Island Highway all the way to Campbell River and you'll reach THE WILLOWS HOTEL, famous the world over as headquarters (until recently) for the great Tye Salmon Fishing Club. Worth visiting!

Busy here. Cabins and cottages always well filled. Fun for everyone at GRANDVIEW AUTO CAMP, Qualicum Beach.

Lovely as its name. THE SUNSET INN at Qualicum Beach is perfectly situated above the shore, with a magnificent view of sea, tiny islets and snow-capped mountains far off on the mainland. There is a comfortable lounge. Suites or private rooms. All modern appointments. Tennis, croquet, archery and putting greens.

De luxe resort. THE QUALICUM BEACH HOTEL has a reputation that extends back over the years. Well known to tourists from every corner of the globe. Now under new management. Many modern improvements.

Central point. Make GREEN GABLES AUTO CAMP at Qualicum Bay your headquarters for a complete tour of all places of interest north of Nanaimo. Everything here for a perfect vacation, including electric light, pure spring water, hot and cold showers, recreation room. Grand place for children.

They've thought of everything at QUALICUM BEACH BUNGALOW COURT. The cottages—all with two bedrooms—are well furnished. You find bathrooms with showers and hot and cold running water. Even dishes and cutlery. To cap it all there is a perfectly wonderful view. Could one ask for more?

At a little place called Royston, looking out to the Comox Peninsula, you'll find a perfect set-up in the ROYSTON BEACH AUTO CAMP. Comfortable furnished

Exonerate Boy In Car Death

"I didn't realize it was a man I hit until I ran back and saw the body," said 18-year-old Edward J. Anderson, Fernside Road, Gordon Head, at an inquest today over the death of Noah Ali, 50, a native of Arabia, caused by injuries he received when knocked down by a car driven by the youth on Yates Street last Sunday morning.

Anderson was exonerated from blame by the coroner's jury, which brought in a verdict of accidental death. The inquest was held at Hayward's B.C. Funeral Parlors and was conducted by Dr. E. C. Hart.

Before the jury retired Dr. Hart remarked that in most cases when a person was killed by a car there were three people in the front seat of the car.

Anderson said he had two other people, Sergeant J. Stark and Harold L. Gelling, in the front seat of the car when he was traveling north on Yates Street at Blanshard Street early Sunday morning.

SAW DARK OBJECT

A car preceding him turned left and he swung slightly to the right and put the car in second gear. He had gone about 50 feet past the intersection at about 20 miles an hour when a dark form suddenly appeared in front of the car. There was an impact. The car was stopped and the three occupants ran back and saw Ali lying on the street.

Ali was rushed to Jubilee Hospital, where he died six hours later.

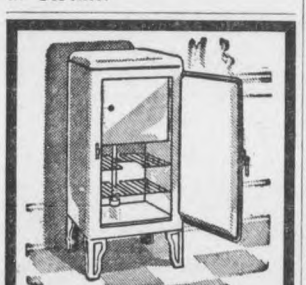

Dr. Samuel Janowsky said Ali died from a fracture at the base of the skull. He suffered other injuries.

"In fact when I saw him little could be done to help him," the doctor said.

Other witnesses were Constable S. Holmes of the city police force, Frank Collins, a bus driver who summoned help, and Leonard Tunney, who identified the body and said Ali had come to Victoria from Port Alberni two or three weeks before the accident. He had been working a short time at a laundry.

The jury consisted of George Wilkinson, foreman; Elmer Stevens, Richard Griffiths, Lew F. McDonald, Charles Coutts and Henry A. Bird.

Members of the local staff of the Bank of Nova Scotia together with employees throughout the rest of the Dominion, Newfoundland and the West Indies contributed to a fund used to purchase fully-equipped mobile contents for the Salvation Army. Commander Benjamin Oram, Territorial Commander of the Salvation Army for Canada, accepted the canteen from J. A. McLeod, president of the Bank of Nova Scotia, in a ceremony at Toronto.

TOWN TOPICS

Directors of the Chamber of Commerce will meet tomorrow morning at 11 in the board room.

The annual picnic of St. Barnabas' Sunday School will be held at Mt. Douglas Park on Saturday. Members and friends are asked to meet at the church at 1.

A car stolen from Basil Wadden, 233 Langford Street, from outside the Gorge Hotel last Tuesday night, was found by Saanich police last night with two of its wheels missing.

A fire in the engine of a car owned by F. P. Blondell, Hollywood Court, while it was parked at Beechwood Avenue and Fairfield Road yesterday morning, was attended by city firemen.

Mrs. Milne, 2421 Douglas Street, will have charge of the spirit readers who will give readings and teacup and card interpretations at the Spiritualist tea, Friday afternoon at Sons of England Hall.

A car belonging to George Smith, 525 Kelvin Road, was damaged considerably at 5.30 this morning when it collided with a car being backed out of the Bay Street Armory driveway by Joseph R. Watson, city police reported.

Reginald Hayward, a former mayor of Victoria, writing on behalf of the B.C. Funeral Co. Ltd., has asked the City Council for action on his earlier requests for improvement of Wilcox Lane, running between Fort and Broughton Streets.

Coach Lines on Daylight Saving

All bus routes operated by the Vancouver Island Coach Lines Ltd. will be run on Daylight Saving Time on and after July 7, it was announced today.

When clocks are put forward one hour after midnight on Sunday, the Coach Lines will therefore be adapted to the new time and will continue as specified in the bus timetables.

This time-change will apply to all up-land routes as well as local lines and Victoria-Nanaimo, Nanaimo-Port Alberni, and Nanaimo-Courtenay-Campbell River buses will make their usual direct connections with steamers between Nanaimo and Vancouver.

This change to daylight saving will obviate and confusion arising out of the change to the new time, it was stated.

New Companies

Eight new B.C. companies, including one Victoria firm, Consolidated Engineers Ltd., with authorized capital of \$50,000, were incorporated during the last week.

They include: Courtenay Bowling Alleys Ltd., \$10,000, Courtenay; Mission Timber Sales Ltd., 1,000 shares, Mission City; Garfield Investment Co. Ltd., \$30,000, Vancouver; Oak Bay Theatres Ltd., \$10,000, Vancouver; Kingsway Hotel Ltd., \$50,000, Port Alberni; Copp the Shoe Man (Alberni) Ltd., \$10,000, Vancouver; Copp the Shoe Man (Langley Prairie) Ltd., \$10,000, Vancouver.

In addition the Canadian Pacific Transport Co. Ltd., authorized capital \$500,000, was registered as an extra-provincial company with offices in Montreal and Vancouver.

Will Take Troops On Motor Trips

Members of the Lions' Club of Victoria will take 15 soldiers for drives next Sunday, it was announced today at the club's luncheon meeting. The Kinsmen Club also will entertain a number of troops.

Brief personal history's were given members at today's meeting of the Lions and the possibility of engaging in a plan to stimulate the sale of War Savings stamps was discussed.

Summer School

Local Artists Give Recital

Two Victoria artists of distinction, Mary Bucklin Hammond, 'celist, and Dorothy Morton Gough, pianist, entertained students of Victoria's Summer School today at an enjoyable joint recital in the High School auditorium.

Adapted particularly to show the solo possibilities of the 'cello, the program included an arrangement of classics which demonstrated the artistic abilities of Mrs. Hammond, and afforded scope for the polished performance of Mrs. Gough.

Together the two artists presented movements from Handel's Sonata in G minor, before Mrs. Hammond was featured in two Bach selections: "Adagio" from "Tocatta" in C major, and "Bourree," Haydn's Adagio cantabile, and Senalle's Allegro spiritoso.

Mrs. Gough followed with Schumann's "Romance" and "The Prophet Bird" and the Schumann-Liszt Dedication.

Mrs. Hammond's concluding group included Faure's Elegie, Valensin's Menuet and Glazunov's "Song of the Minstrel."

As tomorrow's forenoon feature the students will hear an address by Dr. John M. Ewing, Vancouver Normal School instructor, on "A Psychology for Wartime." Dr. Ewing is well known as a writer on educational topics, as well as a radio personality and public speaker.

Call to Arms By Proclamation

Mayor Andrew McGavin and Reeves of adjoining municipalities will sound the call to arms of able-bodied men for military service at special proclamation ceremonies from city and municipal hall steps tomorrow afternoon.

Following the tradition of earlier ages when the nation needed men, the ceremonies will be conducted on parallel lines in the different districts.

The individual proclamations in this region are similar to those being staged throughout Canada today and tomorrow in the country's drive for recruits.

At the City Hall the event will start at 3, on arrival of a company of Irish Fusiliers with their band and bugle corps.

Following a flourish of bugles, Col. J. F. Preston, M.C., will read a message to the mayor from the officer commanding. His message will be followed by the National Anthem and another fanfare before the mayor reads the proclamation.

Similar ceremonies will be conducted in Oak Bay at 3, Saanich at 4.30 and Esquimalt at 2. The Esquimalt Garrison Band and a platoon from the Irish Fusiliers will attend the functions at Esquimalt, Saanich and Oak Bay.

FOLLOW OLD CUSTOM

Military dispatch riders mounted on motorcycles will deliver the proclamations to mayors and Reeves of all cities, towns and villages in Canada an explanatory announcement from national defence headquarters in Ottawa said.

"In Canada's early days when freedom was threatened the system of calling the citizenry to the defence of their homes was for a horseman to gallop to the outlying districts with an official proclamation that was to be read to the public from the town hall steps," the announcement said.

"Today, when Canada's freedom is again being threatened, the same system is being used, but with a modern twist."

Terming the proclamations a modern "call to arms," the announcement said great cities had replaced pioneer settlements and modern military vehicles had replaced horses, but the "need for men and the urgency of the situation" remained.

"With that view in mind," it continued, "national defence headquarters has issued a modern proclamation."

It was read in Vancouver today.

U.S. Silver Money Now 10% Premium

Premium of 10 per cent must now be paid on United States silver as well as paper currency, Donald Gordon, chairman alternate of the Foreign Exchange Control Board announced from Ottawa today.

Up to now a premium of 7 per cent was paid on coins while 10 per cent was paid on paper.

"To eliminate confusion on the part of tourists," said Donald Gordon of the Foreign Exchange Board at Ottawa, "the premium will now be uniform for both silver and currency, including bills, travelers' cheques, bank drafts and similar instruments expressed in United States dollars."

Women Discuss Economic Security

The need of some measure of economic security for the business woman of over 45 and for the protection of the woman now engaged in wartime industry in the inevitable post-war readjustments were among the interesting points brought out in the round table discussion on "Women's Place in Civic Life," at this morning's session of the Canadian Federation of Business and Professional Women's Clubs.

Dr. M. Ellen Douglas, Winnipeg physician who presided, suggested that younger women should be encouraged to take out annuities and other forms of insurance while still young as a measure of protection in their old age. Several delegates pointed to the increasing employment of women in industries created by the war, and urged that measures be taken to ensure their rehabilitation after the war.

A committee was appointed, composed of Miss Margaret Wherry, Montreal, Miss Bamforth, Calgary, Miss Ruth S. McCall, Regina, and Mrs. J. R. McCreery, Montreal, to review the findings of the round table and present some recommendations along these lines to the convention tomorrow.

Equality of opportunity was, too, an early rallying cry. But it has taken the bitter need of war to more nearly bring about, if not an equality of opportunity, certainly in the case of British women, an equality of responsibility. How soon Canadian women may find themselves in similar case is not hard to predict. It may well be that lessons learned this hard way have a greater meaning for the future than the facile theories of an easier time.

Bank clearings in Victoria for the week ended July 3 amounted to \$1,910,670. The sum for the corresponding period last year was \$2,046,130.

Word was received this afternoon that the Bellingham Merchants, undefeated leaders of the Bellingham Baseball League, will play an all-star Victoria team two games here Saturday, one at 2.30 and the other at 6. The visitors beat Victoria two games last season. The local team is much stronger this year.

Constables Bert Pearson and Jack Hamilton of the Saanich police force attended the crash.

Water used in extinguishing the fire was pumped from a 26,000-gallon tank owned by Rev. Montague Bruce, about 1,500 feet away from the barn.

Fifty silver foxes and some cattle near the barn were saved. The fire was stopped six feet from the animals.

Mr. Serry told firemen he was not sure how the fire started. He had lit a coal oil stove in a section of the barn. He left and on returning not long after found that section of the barn in flames. When firemen arrived the whole building was blazing.

No insurance was carried on the barn or its contents.

UP BEFORE BIRDS, FIND FEW 'KICKS'

Since Victoria's boulevard watering crew has started its early morning activities, only three complaints have been received from citizens who suffer from insomnia, H. W. Warren, city parks superintendent, reported today.

The men who seek to keep the grass strips adjoining city streets green operate from 3.30 to 11 each morning, rising in time to meet late party crowds going home to rest.

They rise with the sun from preference, Mr. Warren reports. Prior to the institution of relief labor, watering used to be done in the morning and late in the afternoon and evening. When relief labor was used, regulations could not be enforced. Now the department is back on its regular basis, with men in the gang receiving \$4.85 a day five days a week, and the city has returned to scientific watering.

The hours are chosen to avoid those periods of the day when evaporation is greatest—the time when the sun is at its hottest.

The men were asked if they wished to work on split shifts, working both mornings and nights, or on straight stretches either in the morning or at night. They chose the early hours.

In addition to avoiding the excessive heat which minimizes watering efforts, the "graveyard" shift also has another advantage. It permits them to use a large quantity of water without interfering with regular domestic pressure.

SOLDIER HURT IN CAR CRASH

Private R. Watkins was in Work Point Hospital today suffering from head injuries received last night shortly before 10, when a light army truck and a private car were in collision at Quadra Street and Lodge Avenue.

Watkins was thrown from the truck, which was carrying six soldiers, their wives and a baby, going towards the city from a picnic of the Royal Canadian Engineers.

Sergeant Harold G. Pretty was the driver of the truck, which skidded 30 feet along the road on its side after the smash with a car driven by Sturdie E. Arden. Arden was badly damaged in the front.

Constables Bert Pearson and Jack Hamilton of the Saanich police force attended the crash.

Must Co-ordinate Nutrition Work

"Our everyday job is to provide the people of Canada with the information they need as to the way to bring up healthy and happy children, regardless of what the future may hold," said Dr. G. F. Amyot, provincial health officer, in his address before the Canadian Home Economics Association this morning at the Empress Hotel.

Dr. Amyot, speaking on the subject, "A Practical Nutrition Program," urged the co-ordination of all the agencies, such as government health and agriculture departments, women's institutes, welfare groups, Red Cross, home economics groups, to facilitate the supplying of "the individual at the receiving end of all our endeavors" with uniform information from every source.

The aim of such a co-ordinated effort would be to ensure that more people should be made to realize the simplicity with which good, nutritious meals can be prepared if they only know the cardinal principles.

Among interesting suggestions made by Dr. Amyot to this end was that school cafeterias and school home economics classes should dovetail more closely. He would use the cafeteria as a demonstration centre for home economics, sending both boys and girls in to help serve and prepare the meals as part of their practical education.

The speaker touched upon the work conducted by home demonstration agents under the United States Board of Health in Oklahoma some years ago, when such agents worked with the women of the rural community, helping them to can the carcasses of the cattle which succumbed to drought. Such conservation and educational methods might well be copied in Canada, he said.

teaching the women how to plan a whole year's diet, how to use the abundance of natural food with which this country is blessed, under some properly practical, co-ordinated nutrition program, Dr. Amyot declared.

Miss Marion Harlow presided at the session of the nutrition section at which Dr. Amyot spoke. An interesting review was also given of the provincial activities in a defence program, delegates from each province reporting on their activities, such as Manitoba, which spoke of its St. John Ambulance work and its nutrition program made available to 3,500 housewives.

Mrs. Barbara Reid Robson, head of the home economics division of the Chico State College, California, was an interested visitor at the session.

After business, the members enjoyed a series of interesting movies of pre-war Europe, shown by Herbert J. Pendray.

Canadian Club Council to Meet

Victoria is expected to be represented by a large delegation tomorrow at the annual meeting of the Regional Council of Canadian Clubs of British Columbia, to be held in Vancouver.

Mrs. Alfred Carmichael, Victoria, is chairman of the council. The council, in co-operation with the men's and women's clubs of Victoria and Vancouver, serves 16 clubs in the smaller cities of the province affiliated with the National Association of Canadian Clubs, helping supply club speakers.

During the past year 69 lectures were sponsored throughout the province by the council.

The annual meeting will open tomorrow morning at 10 in the Vancouver Hotel. W. L. McTavish, editor of the Vancouver Daily Province, will address a dinner meeting in the evening.

Gerrard Fanning was fined \$30 after being found guilty of dangerous driving along Gorge Road on June 28 and \$5 for driving without a license.

Constable Norman Galbraith said the accused's car sideswiped another car doing slight damage to its front left fender.

Harry Court was fined \$25 when he pleaded guilty to dangerous driving on June 27. No circumstances were given.

Two motorists were each fined \$10 for exceeding the 30-mile speed limit and two were fined \$2.50 each on parking charges.

IN MEMORIAM
HAMMOND—In ever-loving memory of our darling son and brother, Pay F. Hammond, who passed away July 3, 1937, aged 23 years.

Deep in our hearts lives a memory
Of a loved one gone to rest.
And those who shared your love today
Are those who share your love today.
Anchored safe on that other shore,
Your trials and troubles are o'er,
And some day in the beautiful by and bye
We'll all meet again to part no more.
—Ever remembered and sadly missed by mother, father, sister and brothers.

Freedom Threatened

WILLIAM S. KNUDSEN in Washington called upon the United States people for greater toll, sweat and sacrifice to the end that "our children may be insured against despotism and slavery."

Noting Friday was the fourth of July, when the nation rejoiced in its freedom, the director-general of the office of production management said in a statement that perhaps all Americans did not realize the "ugly fact" that "this freedom is being threatened."

"The danger to our shores today is greater than ever," he said.

"The United States must press its defence program ever faster."

'Chaos in 10 Years'

RICHARD G. CASEY, Australian minister to the United States, told the Institute of Public Affairs in Charlottesville, Va., that if Britain and the United States failed to collaborate for a joint solution of postwar problems, he wouldn't give the world 10 years, "at the outside, before we all dissolve in hopeless chaos."

It is going to be much more difficult for the American and British peoples to work together in peace than in war, he said, although it will be just as essential.

"We will all be in various degrees of exhaustion, physical, material, financial and economic," he said. "We will have problems to tackle that will appear individually to lack the vital urgency of today's problems of war, but they will be complicated ones."

"I believe that neither the United States nor the British Commonwealth of Nations by themselves, and working separately, can solve these problems. And if we don't solve them, I believe we are done for..."

"We have a chance now, but if we miss this chance, I believe that it is unlikely that we will get another... the war will not end in 1941, but the issue will be

Wants Conscription

S. G. BLAYLOCK, president and managing director of Consolidated Mining and Smelting Co., told a large audience in Nelson he favored conscription of money, people and industry for war purposes.

He said: "We are hurting our country and our future position by not putting conscription into force immediately. We found in the last war that we had to come to it, and I cannot think of any man-sized war that was fought without it."

Conscription was the only fair and economical way of recruiting manpower, he declared.

'Sky Devils' Feature On Screen at York

Edward Sutherland, the man who directed "Sky Devils," the Howard Hughes' production playing at the York Theatre, is considered the ace of comedy directors.

Sutherland has directed more humorous film hits than any other megaphone artist in Hollywood.

"Sky Devils" is considered the directorial triumph of his career, and as a result of his work on this picture, Sutherland is being touted as a candidate for one of next year's prizes from the Academy of Motion Pictures Arts and Sciences.

'Melody Ranch' Now Headlined at Rio

Blackfellows Toss Bones to Waiting Wives

In hot, dry parts of central Australia, old men are treated with special honor by the blackfellows. They are given the best food obtained by hunting. The old blackfellow custom is to let the women and children do the work. The men hunt when there is need, but the hard, rough work is done by others in the tribe. The food of blackfellows is made up chiefly of roots, fish and wild game. Kangaroos and the ostrich-like birds called "emus" are killed for their flesh. The women are expected to search out roots of the wild yam, also acacia seeds and leaves of the so-called "grass tree."

Children of Warramunga tribe. Notice their "home."

After a man bags a kangaroo, he takes it home and lets his wife prepare it for dinner. Then, sitting with his back toward her, he eats the meat. From time to time he tosses a bone over his shoulder—so his wife can look it over and see whether there is a bite or two of meat left on it. In one tribe a girl who is soon to be married must take her place in a hole filled with mud. Day after day she must have a "mud bath." It is hard to see how that can do good to her, or anyone else. It is just one more example of the strange ways of Australia's natives.

Many blackfellows have villages where they spend their time year after year. Others wander about a great deal, hunting and fishing as they move. The Warramunga tribe is one of those which travel around central Australia. They use boomerangs to bring down game. The boomerang is an odd and clever weapon. It was used by the blackfellows when whites first reached Australia. It is made of wood which is curved or bent. A well-made boomerang will come back to the man who throws it, if it doesn't strike something on the way.

The Warramunga blackfellows live in simple homes made of bark, posts and poles. They provide shelter of a sort, but very poor shelter.

There is little rain in central Australia, so the Warramungas do not worry about that very much when they build their homes.

When they cannot obtain enough roots, berries and kangaroo flesh, the Warramungas look around for something else. Now and then they eat snakes or lizards.

Horoscope

Favorable aspects are noted for today. Under harmonious rays from Mercury and the sun many persons may see their wishes come true. Both men and women should keep their ideas on a practical basis and avoid any unsound schemes which may be presented to them. Affairs of the heart will flourish and their may be news of engagements or elopements.

Social activities will be successful and will bring much pleasure. Astrologers foresee the possibility of an open breach between Germany and Japan. Movements of the Japanese government may be contrary to the plans of Nazi leaders.

Persons whose birthdate it is have the augury of a year of few changes. Children born on this day may be energetic and extremely fond of travel.

A car driven by F. S. Robbins, 1845 King's Road, was badly damaged and Mr. Robbins and a passenger, Roy Hobbs, Cadboro Bay, were injured slightly, when it collided head-on with a street car in control of B. Soper, 1258 Basil Avenue, east of Bank Street on Fort Street Monday night at 11:05. Mr. Robbins told city police the accident was caused by a motorcycle which forced him to pull out in the road. The men were taken to Jubilee Hospital by Constables Tommy Stevenson, Douglas Buckle and Laurie Greenwood where Dr. J. W. Lennox and Dr. E. L. McNiven attended them.

THIS CURIOUS WORLD

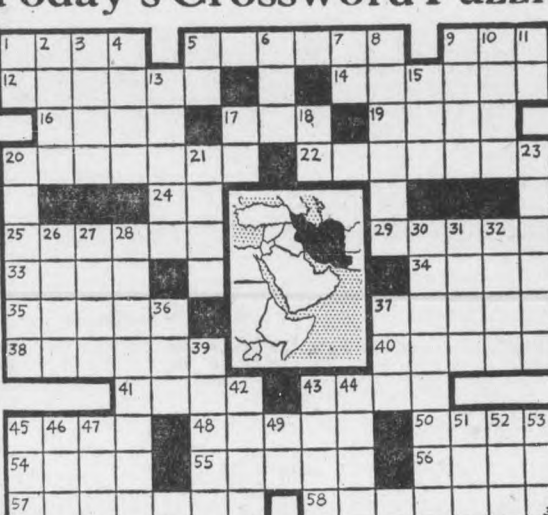

By William Ferguson

Dorothy Dix's Letter Box

Dear Miss Dix—I am a contented old lady who has seen better days. I continually remind myself that I will not let what I cannot have and cannot do spoil what I can have and can do. I never say "no" to any plan proposed by others unless I have a much better reason than merely my preference. Every one is most kind to me and I am grateful for the blessings I have instead of mourning for the good things I have lost. AN OLD WOMAN. Answer—You have achieved a wonderful philosophy of life and found the secret of happiness. Would that there were more old ladies like you! For the reason that most aged people are feared and avoided is because they are so miserable themselves they make every one else miserable. They have not been able, like you, to adjust themselves to an altered way of living, or even to accept, with fortitude, the limitations that age puts upon them. It is customary to blame young people for not getting along with old people, but oftener than not it is the old people who refuse to get along with the young. My observation is that youth has a very tender pity and respect for age, and that when old people keep themselves sweet and amiable and appreciative they are the most welcome and favored guests wherever they go. DOROTHY DIX.

Caddy Again Pops Up Off Island

NANAIMO, B.C. (CP) — Cadborosaurus, British Columbia's storied sea serpent, has been seen again and this time the man who saw him got "a real good look at him, and he got a good look at me, too." Sighting of "Caddy" was told of today by T. Liston, cod fisherman of nearby Brechin, who saw the strange creature "shaped like a seal, but with a much longer neck," while fishing in the Gulf of Georgia, June 23. He said the creature was about 20 feet long and six or seven feet in diameter at the thickest part of the body. It had a two-foot fin on its back. On sighting the creature Liston went to within 100 yards and "Caddy" dived and came up 40 feet away. "He (Caddy) swam toward my boat," Liston said. "When he was within 15 feet of it I became a little timid, but I still wanted to get a real good look at him. "Well, he got a good look at me, too, then swam slowly away."

Mr. and Mrs. J. W. Prescott of Qualicum returned home today after a short visit with Mr. and Mrs. Charles Brown, Fairfield Road.

So-eds to Dance

Songs and skits of the gay '90s will be featured at the Y.M.C.A. So-Ed social on Saturday. Old-time dances will be varied with modern numbers.

Arthur Kiteley, chairman of the social-education group promises an evening of first-rate entertainment, including singing and dancing by the Floradora Sextette, harmonizing by the Barbershop Quartette, exhibition waltzes by Randy Vickers and Margaret Greenway and a burlesque.

As master of ceremonies will be Roy Allison, who will conduct several stunts and novelty dances, and will present the prizes. Refreshments will be served by members of the So-Ed committee.

The first serious attempt to estimate the population of the earth is believed to have been made by an Italian scientist in 1661.

Myrna Loy Sees British Columbia

Myrna Loy and Husband.

Mr. and Mrs. Arthur Hornblow slipped into Victoria so quietly yesterday that no one knew they were here.

Mrs. Hornblow, in case you don't know, is none other than Myrna Loy of the screen. Several passengers on Ss. Princess Kathleen, coming over from Seattle, thought the dark-haired, smartly dressed woman was Myrna Loy, but they weren't sure, and besides, they only caught a fleeting glimpse of her as she went to the dining salon.

Miss Loy and her husband walked over the Causeway and through the gardens of the Empress Hotel and then returned to the Princess Kathleen for the 145 sailing to Vancouver.

In Vancouver last night she

said the trip from Victoria was magnificent—she had never seen such scenery, had no idea such abundance so close to Hollywood.

"It's very much like Norway," she said, as she waited for her husband to drive their smart sports roadster on to the dock.

After dinner in Vancouver the movie couple left by road for the interior of the province, hoping to reach Jasper National Park. Whether they got that far depended on how soon Miss Loy's studio recalled her for work on a new picture, with William Powell, she said. She believed it would be another of the "thin man" series, but wasn't sure.

Queried about reported marital rifts with her husband, the actress merely said: "Oh, that's all a thing of the past."

Social and Personal

Miss Marion Brown, Vancouver, Mrs. Ida Clark and Mrs. William Armstrong of Lethbridge, who have been staying several days at the Empress Hotel have left for Qualicum.

In the beautiful grounds of "Kah-na-way" over 150 delegates attending the Home Economics Convention enjoyed the hospitality of Mr. and Mrs. R. W. Mayhew yesterday afternoon at the tea hour.

Helping Mrs. Mayhew receive the guests were Miss J. McLennan and Mrs. S. J. Willis. Presiding at the tea table were Mrs. McLaurin, Mrs. Murphy, Mrs. Green, Miss Rogers, Miss Charlotte Martin and Miss Lawson, while the servers were Mrs. Whitehead, Misses Muriel Johnson, Edna Auger, Jean Mayhew, Beatrice Godson, Frances Graham, Margaret Bucklin, Betty Ann McCarter, Margaret McLaughlin, Shirley Walker, Miss Pimm and the Misses Lilian and Florence Saddington.

In honor of Miss Isabelle Mitchell, whose marriage to Mr. Boyd Ramsay will take place next week, Mrs. Chas. Goodwin arranged a surprise shower at the home of Mr. and Mrs. Jas. Mitchell, 139 St. Andrews Street, last evening. The reception rooms were effectively arranged with regal lilies, shasta daisies and pink larkspur. On the dining table, spread with a Venetian cutwork and filet lace cloth, was a lovely centerpiece of Kant's Blush, Dr. Van Fleet and American Pillar roses in a low silver plaque. Gifts were arranged under the crinolines skirts of a doll dressed in bluish pink with a shepherdess hat trimmed with pink and blue flowers. To her arm was attached a corsage of Tallman roses for the bride-to-be, while Mrs. Jas. Mitchell received one of pink sweet peas and snapdragons. Mrs. George F. Watson presided at the tea urn and Mrs. A. McNish, Mrs. Goodwin and Miss Marion Mitchell assisted in serving. The invited guests were: Mrs. Jas. Mitchell, Mrs. G. F. Watson, Mrs. C. C. Warn, Mrs. Wm. Wright, Mrs. A. M. Perry, Mrs. Reginald Nash, Mrs. Alex McNish (Giffnock, Scotland), Mrs. Bert Cartwright, Mrs. D. Crawford, Mrs. W. H. Yeamans, Mrs. A. Stewart, Mrs. B. F. Stewart, Mrs. D. Davidson, Mrs.

Baillies, Miss M. Brisbane, Miss H. Baillies, Miss E. Ross, Miss A. Warn, Miss N. Warn, Miss N. Mossman and Miss J. Crawford.

A number of friends of Wilfred Gouge dropped in at his residence, View Royal, Sunday evening, to offer congratulations on his 67th birthday. Mr. Gouge is one of the city's most ardent fishermen and sports followers. Among those who called were Mr. and Mrs. C. Bruce, Mr. and Mrs. Philbrook, Constable and Mrs. F. Clark, Paul Carrier, Mr. and Mrs. K. Godson, Mr. and Mrs. L. Freer and George Patton.

In compliment to Miss Isabelle Mitchell, who is to be married this month, Mrs. G. Fane entertained yesterday afternoon at a miscellaneous shower in the garden of her home, 436 Michigan Street. The guests of honor and her mother were presented with corsage bouquets of pink carnations. Many pretty gifts were concealed in a realistically contrived wishing-well in the garden. As the bride-to-be drew out the packages she made wishes for the donors. Mrs. Fane and Miss Queenie Prior presided at the tea table, centred by silver vases of larkspur and delphiniums with tall pink candles in silver holders. Invited guests were Mesdames J. Mitchell, C. Prior, J. McNish, Pollard, A. Pellow, C. Ockenden, L. Prior, Longworth, T. Kennelly, Handasyde, Poulton, Faddington, Macdonald, Sam Jones and Misses Thelma Fenlon, Queenie Prior, Mary David and Marion Mitchell.

A delightfully-arranged tea, in honor of Mrs. E. W. Hamber, was held by the Women's Auxiliary to No. 1 Fortress Workshop, R.C.O.C., at the Y.W.C.A. yesterday afternoon. The reception room, in which the party was held, was attractively decorated with flowers and on the tea table were mauve and pink sweet peas. Mrs. Hamber, who was accompanied by Mrs. Mae Rice, was welcomed by the president, Mrs. G. W. Branton, and the secretary, Mrs. G. C. Bloomfield, and a corsage bouquet of gardenias was presented to her. Mrs. H. E. Goodman and Mrs. G. Newstead presided at the tea table, and during the afternoon Miss Sheila Akenhead, with Mrs. Peter Watt as accompanist, delighted the guests with vocal solos, and Mrs. A. Sim contributed pianoforte selections. After tea, Mrs. Hamber, at her own request, met the members of the auxiliary and chatted with them about their work.

Mrs. J. D. Dunlop, wife of the retiring superintendent, and Mrs. C. Moore, wife of the new superintendent, shared honors when the wives of B.C. Telephone Company employees and a few of the other women employees entertained at a delightfully-arranged tea this afternoon in the palm room rotunda of the Empress Hotel. Mrs. Jenkins, mother of Mrs. Dunlop, was also a special guest. Mrs. D. Butler, Mrs. A. Harper, Mrs. H. Silver, Mrs. R. English and Mrs. W. Palliser were on the reception committee, which welcomed the guests of honor, to whom Mrs. Palliser presented fragrant corsage bouquets. During the afternoon Mrs. D. Butler, on behalf of the wives of all the employees, presented Mrs. Dunlop with a parting gift in the shape of a handsome handbag and compact. Tea was served from a flower-centred table, Mrs. A. Harness and Mrs. F. Dawson pouring tea.
